Dear Colleagues:

Thank you for agreeing to serve on the advisory committee to review the performance of B. Bruce Bare, Dean of the College of Forest Resources. This review is being conducted pursuant to Executive Order No. 20 (copy attached) of the *University Handbook*, which requires that reviews be undertaken at periodic intervals of the appointees who head major administrative and academic units.

The purpose of this review is to evaluate the performance of Dean Bare and to assess his overall effectiveness as Dean of the College of Forest Resources. Some of the critical features to be addressed in the review include Dean Bare's leadership in advancing the academic quality of the College of Forest Resources; ensuring the vitality of the College's teaching and research; managing the resources of the College; advancing the University's mission and goals; supporting diversity of faculty, staff and students; fostering interdisciplinary relations and expanding collaborative opportunities; and working with external and professional communities.

Executive Order No. 20 sets forth a procedure to be followed in conducting this review. The review committee is also specifically asked to solicit input on the Dean from all faculty, staff, and students in the College, including its Faculty Council, as well as any appropriate external

groups. In addition, I have attached information on the review process and its scope to help you in your review. I would appreciate the committee's completing its work by January 16, 2007. Your confidential report should be submitted directly to me, with a copy to Dean Bare.

Interim Dean Irving's office will be in touch with you to schedule the first meeting. I will attend a portion of that meeting to discuss the review with you.

Thank you for your help.

Sincerely,
