

# Bob Larson

## Objective

---

Develop and provide cutting-edge IT training in a progressive environment; incorporate my real-world business experience to provide realistic, worthwhile solutions and course content for class participants; be part of a team that provides valuable, innovative training. I would like to use my organizational and communication skills combined with my international training experience in an environment that offers a challenge, financial rewards and the possibility of travel.

## Professional Accomplishments

---

### Network Consulting and Design

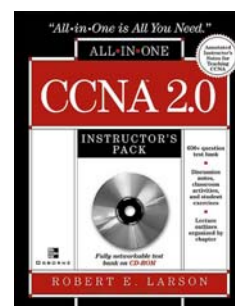

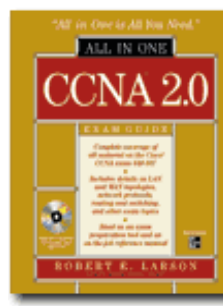

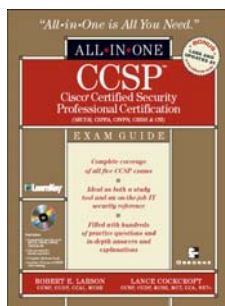

- Provide router and network security consulting through Lighthouse Consulting, Inc  
Emphasis on Cisco routers, switches, PIX firewalls, ASA security devices, VPN solutions
- Network and security design and implementation putting Internet and cellular on cruise ships
- Started a company that provided network consulting, training, and implementation services
- Provide database design, development, and implementation since 1984
- Provided LAN administration services for two community colleges (1985 - 2000)
- Implemented a 52 switched VLAN network in Ghana, Africa (2000)

### Training Development and Delivery

- Twenty years experience teaching IT technologies (and other computer-related classes) at universities, colleges and in non-college environments; teaching beginning, intermediate, and advanced classes to all types of class participants with all levels of skills, motivation, and experience; from half-day seminars to quarter-long accredited university-level classes, including:
  - ♦ Microsoft and Cisco networking design, implementation, support, and training (since 1995)
  - ♦ Advanced Cisco networking courses – CCNP and CCSP (security) (since 2000)
  - ♦ Database design and implementation using SQL, MS Access, Paradox, dBase (since 1985)
  - ♦ Project management training and course development using MS Project (since 1990)
  - ♦ Application training for Access, Excel, PowerPoint, Word, desktop publishing, etc. (since 1985)
  - ♦ Provided most of the training materials for the above seminars and classes
- Taught the first Cisco Network Academy CCNA program in Africa – Cape Town, South Africa, 1999
- Cisco Visiting Faculty – Taught instructor and student classes in UK, Germany, Austria, and N. Ireland, including:
  - ♦ Advanced-level routing, switching, and remote access courses
  - ♦ Network security for routers and PIX firewalls
  - ♦ Designing and implementing wireless LANs
- Developed curriculum for Cisco Systems – Networking Academies

### Writing Projects

- Three Cisco certification books published:
  - Cisco Certified Security Professional (CCSP) All-in-One Exam Guide - McGraw/Hill
  - Cisco CCNA v2 Certification All-in-One Exam Guide - McGraw/Hill
  - CCNP Advanced Routing Exam - The Coriolis Group

## Bob Larson

- Instructor guides for Cisco Press and McGraw/Hill
- Technology courseware for colleges, Boeing Company, Food Services of America since 1985
- Cisco CCNP/CCNA training curriculum and instructor guides – Cisco Systems

### Program and Business Management

- Business owner (since 1985) - training/consulting in network technology, database development and network security
- Program manager – college technology training (Cisco/MCSE/Apps) for business (Boeing mainly)
- Cisco Regional and Local Academy Program Manager
- Member of the Cisco Networking Academy Advisory Board for three years

### Employment History

---

9/2005 - present	Lecturer – Information Technology and Security	Information School, University of Washington, Seattle, WA
5/2001 - present	Consultant – Networking/Security	Lighthouse Consulting, Inc, Kent, WA
1/1986 - present	Cisco CCNP/CCSP/CCIE Contact	Green River CC Center at Kent, Kent, WA
11/2005 - present	Network / Security Design/Imp.	SeaMobile, Seattle, WA
1/2006 - present	CCNA Training for T-Mobile	Bellevue CC – N. Campus, Bellevue, WA
5/2002 – 9/2005	Program Contact - Cisco Academy	Bates Technical College, Tacoma, WA
6/1999 - 10/2003	Visiting Faculty/Curriculum Dev.	Cisco Systems, San Jose, CA
4/1985 - 5/2001	Owner – consulting/training firm	Bob Larson & Associates, Kent, WA
1/1986 - 2000	Cisco/MCSE Trainer (Net Admin)	Edmonds CC, Everett, WA
1/1985 - 6/1986	Computer Resale Program Manager	University of Washington, Seattle, WA

### Education

---

August 1984	MBA – International Business/Ops Mgmt	University of Washington
June 1983	BS – Business Administration/Finance	Central Washington University
1967 - 1983	AS Studies – Business Admin	Yakima Valley Community College

### Industry Certifications

---

Cisco	Cisco Certified Network Professional (CCNP) Cisco Certified Design Professional (CCDP) Cisco Certified Network Associate (CCNA) Cisco Certified Design Associate (CCDA) Cisco Certified Academy Instructor (CCAI) <i>In progress:</i> CCIE candidate (passed written exam – 2003) Cisco's CCSP (security cert) (ISC) <sup>2</sup> 's Certified Information Systems Security Professional (CISSP)
Microsoft	Microsoft Certified System Engineer (MCSE) Microsoft Certified Professional (MCP)
