

Subhadeep Gupta
Curriculum Vitae

Updated July 2024

University of Washington,
Department of Physics, Seattle, WA 98195-1560
Telephone: 206-619-9649. Email: deepg@uw.edu
Research Website: <http://faculty.washington.edu/deepg/>

PROFESSIONAL EXPERIENCE

- 2024-** Chair, Department of Physics, University of Washington
- 2022-24** Associate Chair for Research, Department of Physics, University of Washington
- 2018-** Professor, Department of Physics, University of Washington
- 2013-18** Associate Professor, Department of Physics, University of Washington
- 2007-13** Assistant Professor, Department of Physics, University of Washington
- 2006-07** Postdoctoral Fellow, University of California, Berkeley, Department of Physics
Advisor: Professor Dan M. Stamper-Kurn
- 2003-06** Miller Research Fellow, University of California, Berkeley, Department of Physics
Advisor: Professor Dan M. Stamper-Kurn

EDUCATION

- Ph.D.** Massachusetts Institute of Technology
Physics, September 2003
Dissertation title: “*Experiments with Quantum Degenerate Bose and Fermi Gases*”
Research Advisors: Professor Wolfgang Ketterle, Professor David Pritchard
- B.A.** Colgate University
Physics (high honors) and Mathematics (high honors), May 1997, *Summa cum laude*

AWARDS AND HONORS

- 2021** Elected Fellow of the American Physical Society
- 2015** University of Washington Physics Department Mentoring Award
- 2010-13** National Institute of Standards and Technology Precision Measurements Grant Award
- 2009-14** National Science Foundation CAREER Award
- 2009-11** Alfred P. Sloan Research Fellowship
- 2003-06** Miller Research Fellowship (University of California, Berkeley)
