

**Assignment #1b:** Lessons from Assignment 1

**Assigned:** Tuesday, 2 October 2001

**Due:** Thursday, 4 October 2001 (in-class)

**Description**

Please respond to the questions listed below, based on the in-class PowerPoint activity on Tuesday, October 2, 2001.

Lessons about PowerPoint

1. *Documentation of assignment-specific effort.* How much effort did this assignment entail? What type of effort was required?
2. *Assignment-specific work strategies.* What strategies did you use (or not use) that would be useful for future assignments of this type?

Lessons about your knowledge of presentations and presentation software

3. *Existing capabilities/knowledge.* As a result of doing this assignment, what knowledge/capabilities/interests can you now articulate about yourself? What are possible implications?
4. *Learning goals.* As a result of this assignment, what are some issues about which you have an interest/questions? What are some strategies for addressing these questions or exploring these interests more?

**Hints:**

- Length. Your responses can be short – with all responses together totaling about 1-2 pages.
- Approach. One approach might be to create a bullet list of items.
- Sentence. To ensure complete thoughts, please use complete sentences.

**Objectives:**

- To provide an opportunity for students to reflect on the assignment and what may have been learned from the assignment

**Submission:**

Please bring both a paper copy AND an electronic copy of these responses to class on Thursday, 4 October 2001.

---

**\*\*\*One time only\*\*\*:**

Please complete the web-based survey located at the following URL by Thursday noon:

<http://webq.catalyst.washington.edu/survey.cgi?user=jturns&survey=19>

Your responses to this survey will enable me to better understand who is taking the class and to be more responsive to the students in the class.
