Research Consultation Evaluation Form

For each of the following elements, make a check in the box you think most closely represents
your performance on the research consultation assignment. Feel free to put comments in the box
for each element, and general comments at the end.

	4.0	**3.7**	**3.3**	**3.0**	**2.7**	**<2.7**
	outstanding	professional	competent	acceptable	minimally adequate	
decision-making how did you think about, decide where and what to search?						
search strategies actual things you searched: terms, constructions						
results what you got, how well it responded to client's requests and needs						
presentation of results to client						
overall quality of package to submit
