## 1 Instruction for submitting assignments

1. You are encouraged to work in groups of three students.
2. Each group will submit one assignment with all names of the group members.
3. Submit your answer in a neat, properly organized printed format.
4. All Sage exercises, need to be sent in .HTM (sage) format to Hoan's email: vanhoan310@gmail.com. Other forms of submission will not be accepted.
5. Groups must work separately. Copying will be given a grade of 0 for both submissions.
6. For questions about scoring errors please contact Hoan.
