

Midterm

Moshe Rosenfeld

Hanoi 2012

`moishe@u.washington.edu`

Next week on 1 Nov. We will have our midterm test. It will be a two hours long test. To help you prepare for the test there will be no assignment this week.

The topic in the test will be:

1. Logic
2. Sets
 - The “language” of sets.
 - Set operations
 - Venn diagrams.
 - Countable sets.
 - Uncountable sets.
3. Relations
4. Functions
5. Sequences
