1 Week 5

1. Topics for this week: Lecture-7.1

    a. Countable sets

    b. The power set.

    c. Uncountable sets.

    d. Non -programmable decision functions.

2. Sequences: Lecture-8

1. All relevant material can be found inthe folder week-5.

2. In this folder you will find assignment - 4 which will be due on Tuesday, 11 Oct.

3. Also in week-5 you will find another folder called supplements.

4. In the supplements folder please find the file Drill-3. This file will be used in class on Tuesday. Try to solve as much as you can, no need to submit. Just be ready to share your observations with the rest of the class.

5. Additional review material will be added later in this folder.
