

Timothy L. Nyerges

Cumulative Curriculum Vitae – April 16, 2017

PERSONAL

Telephone: (425) 786-3301 (cell); (206) 543-5296 (faculty office)
Telefax: (206) 543-3313
Email: nyerges@u.washington.edu
WWW Page: <http://faculty.washington.edu/nyerges>
Citizenship: U. S. A.

EDUCATION

1977-1980 Ph.D. Geography, Ohio State University.
Dissertation: Modeling the Structure of Cartographic Information for Query Processing
1975-1976 M.A. Geography, Ohio State University.
Thesis: Cognitions of Socio-Psychological Stress and the Cognitive Image of Accessibility
1974-1975 B.A. Geography with Distinction, Ohio State University
Senior Honors Paper: Cognitions of Socio-Psychological Stress in the Urban Environment: Toward the Definition of a Cognitive Stress Topography
1969-1972 Emphasis in Economics
Cleveland State University, Cleveland OH 44114

POSITIONS HELD

9/85 - present Assistant Professor, Associate Professor (1991), Professor (1998), Dept of Geography, Smith Hall, Box 353550, University of Washington, Seattle, Washington 98195.
Director, Master of GIS for Sustainability Management Program, Geography Department and Professional, and Continuing Education, University of Washington.
Affiliate Professor, Interdisciplinary PhD in Urban Design and Planning, University of Washington. Faculty Affiliate in Center for Environmental Politics. Faculty Affiliate in Water Resources Center 2000 – 2009 (no longer operating).
8/85 - present. Principal and owner, GeoInfo Consulting, 18612 29th Ave SE, Bothell WA, 98012.
3/97 – 9/00. Principal and owner, Geo Choice Inc., 7817 235th Place NE, Redmond WA, 98053.
8/84 - 8/85. Senior Consultant, NW Cartography, 9618 Roosevelt Way NE, Seattle WA 98115.
11/83 - 7/84. Director of Applications and Technical Marketing, GeoSystems, Bellevue WA 98009.
3/83 - 10/83. Digital Mapping and GIS Consultant, Wild-Heerbrugg Switzerland.
7/80 - 1/83. Principal Consultant and Software Project Manager, Synercom Technology, Inc., Sugar Land TX 77478.
8/79 - 6/80. Graduate Research Associate, Department of Geography, Ohio State University, Columbus OH 43210.
9/77 - 6/79. Graduate Teaching Associate (full course responsibility), Department of Geography, Ohio State University, Columbus OH 43210.
9/75 - 8/77. Graduate Teaching Assistant, Department of Geography, Ohio State University, Columbus OH 43210.
1/74 - 8/75. Research Aide for R. G. Golledge (PI). Cognitive Configurations of Urban Environment. NSF Project #65-37969, Department of Geography, Ohio State University, Columbus OH 43210

REFEREED PUBLICATIONS

Li, Yi, Yangfan Li, T. Nyerges, 2017. submitted, Identifying specified resilience of Urban Land-Water System with critical functionality: integrated analysis of impervious surface area, water quantity and water quality, **Water Research**, under review.

INVITED PRESENTATIONS

Computing Complex Sustainable Systems Resilience, Annual Meeting, Association of American Geographers, CyberGIS and Transactions in GIS Plenary, Chicago, IL, April 23, 2015.

CyberGIS Education Strategies, Annual Meeting, Association of American Geographers, CyberGIS and Transactions in GIS Plenary, Chicago, IL, April 23, 2015

Toward Spatial-temporal Modeling of Resilience in a GIS, IGERT Seminar, University of Washington, School of Marine Affairs. November 24, 2014.

Spatiotemporal Thinking, Computing, and Applications: Working Session towards a Research Agenda, Panelist, Annual Meeting, Association of American Geographers, Tampa, FL, April 10, 2014

Symposium on Synergistic Advances of CyberGIS and Geography: 360-Degree Comparison, Panelist, Annual Meeting, Association of American Geographers, Tampa, FL, April 9, 2014.

Master Programs in Geography Panel, Chair's Symposium, Annual Meeting, Association of American Geographers, Tampa, FL, April 9, 2014

Symposium on Synergistic Advances of CyberGIS and Geography: CyberGIS for Complex Geographic Problem Solving ; Nyerges, T., Roderick, M., Prager, S., Bennett, D. and Lam, N. Toward Resilience Thinking about Sustainable Systems Using CyberGIS, Annual Meeting, Association of American Geographers, Tampa, FL, April 9, 2014

Symposium on Synergistic Advances of CyberGIS and Geography: CyberGIS Education, Panelist, Annual Meeting, Association of American Geographers, Tampa, FL, April 8, 2014.

Foundations of Sustainability Information Representation Theory for Spatial-temporal Modeling in GIS, Interdisciplinary Program in Urban Design and Planning, Seminar Series, February, 25, 2014.

Spatial-Temporal Computing about Sustainability: Perspectives on Complex Sustainable Systems, April 12, 2013, Annual Meeting of the Association of American Geographers, Spatial Thinking, Computing and Applications organized by Chaowei Yang, George Mason University

Structured Participation Toolkit for CyberGIS, CyberGIS' 12 First International Conference on Space, Time, and CyberGIS, August 7, 2012, with Mary Roderick and Michalis Avraam

Participatory GIS Technology and Participatory Evaluation in CyberGIS, CyberGIS' 12 First International Conference on Space, Time, and CyberGIS, August 6, 2012, with Mary Roderick

GIS and Sustainability Information Science: A Coastal Perspective, Oceans and Human Health Seminar Series, University of Washington, National Marine Fisheries Research Center, May 8, 2012

Innovative Geospatial Programs and Partnerships, National Geospatial Advisory Committee Meeting, American Institute of Architects, Washington DC, April 17-18, 2012.

CyberGIS Development: Two Approaches to Emergency Management Innovation, Annual Meeting of Association of American Geographers, February 26, 2012.

Towards Innovative Geospatial Programs and Partnerships, National Geospatial Advisory Committee Meeting, American Institute of Architects, Washington DC, October 4-5, 2011.

Participatory Modeling Methodology: Tightening the GeoWeb Design Loop, ICA/ISPRS Joint Workshops on Our Complex World: Representation, Analysis and Modeling, August 10, 2011, Simon Fraser University, Burnaby, Canada.

Participatory Modeling Methodology on the Geospatial Web, Department of Geography and National Center for Super Computing Applications, May 3, 2011, University of Illinois Urbana-Champaign.

Participatory Modeling Methodology: Tightening the GeoWeb Design Loop, School of Surveying, March 28, 2011, University of Otago, New Zealand.

Participatory Role-Play in Collaborative Decision Support, School of Surveying, March 24, 2011, University of Otago, New Zealand.

Participatory Geospatial Information System Architectures, School of Surveying, March 22, 2011, University of Otago, New Zealand.

Using Online Spatial Decision Support Collaboration Tools in Distance Learning Education, School of Surveying, March 17, 2011, University of Otago, New Zealand.

Online Participatory GIS for Decision Support of Regional Transportation Improvement, Borchert Lecture, November 19, 2010, Department of Geography, University of Minnesota.

Participatory Transportation Improvement Decision Making, International Workshop of Geographic Information for Transportation, Wuhan University, Wuhan China, December 5, 2009.

Benefits of Coastal Web Atlas Interoperability for Regional Ocean Governance, International Coastal Atlas Network Workshop, Trieste, Italy, November 17, 2009.

Participatory Decision Support Tools: Vulnerability Maps Characterizing Regional Climate Variability and Change Impacts, SARP Joint Workshop, Oregon State University, April 21, 2009

Linking Social and Physical Sciences with GIS: Research Directions, NCAR 3rd GIS Workshop
Weather, Climate and Impacts, October 29, 2008

Bridging Perspectives by Coupling Data for Environmental Decision Support, NCAR 3rd GIS Workshop
Weather, Climate and Impacts, October 28, 2008

Participatory Geospatial Decision Support: Research Findings and Challenges, Tsinghua University,
Department of Hydraulic Engineering, June 5, 2008.

Discussant for Critical GIS and Urban Governance papers, Annual Meeting of AAG, Boston, MA, April
19, 2008.

Participatory Interaction Modeling of Cyber-enabled Systems, panel session on Cyberinfrastructure,
Annual Meeting of AAG, organized by Phil Yang and Rob Raskins, Boston MA, April 18, 2008

GIS and Data Integration, for GITA Conference, The Ties That Bind: GIS Technology for “The
Greater Good”, March 11th, 2008.

Design Considerations for a Participatory Web Portal: Decision Support to Enhance Puget Sound
Nearshore Improvement, Department of Geography, Simon Fraser University, colloquium series, March
29, 2007.

Participatory Support for Complex Environmental Decision Problems, Department of Geography,
University of Southern California, colloquium series, November 3, 2006.

Participatory Support for Complex Environmental Decision Problems, First US-China International
Workshop on Digital Government Research and Practice, Co-sponsored by US National Science
Foundation and China National Science Foundation, Beijing, China, October 11-13, 2006.

Web Portal Implementation to Support Public Participation in Transportation Decision Making, Digital
Government Conference, San Diego CA, May 22, 2006

Tim Nyerges and Dennis Ryan, Urban Ecological Regions, UW Dinner Series, sponsored by UW
Development and Alumni Relations, May 4, 2006.

Geospatial Meaning Making in Web Portals, U C Santa Barbara, Department of Geography, April 14,
2006.

Implementing the PGIST Portal: A Web Portal for Analytic-Deliberative Decision Support, the Golledge
Lecture, U C Santa Barbara, Department of Geography, April 13, 2006.

PGIST Portal Development: Status Update, Dept of Geography Committee of Visitors, College of A&S,
UW, March 28, 2006.

Geospatial Information Technologies for Sustainable Development, Sustainable Societies, FISH/ENVIR
439; PBAF 595A, February 21, 2006.

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on
decision simulation, Charles Simenstead’s Wetlands Restoration Course – 2.5 hour session. Eighth year
for this activity as the students and instructor enjoy the learning experience as it is conducted in the
Geography Dept’s Collaboratory, February 18, 2006.

Public Participation in Transportation Decision Making, Digital Government Conference, National Science Foundation, Atlanta, GA, May 16, 2005.

Transportation Improvement Decision Making. For session on Collaborative GIS, AAG Meeting, Denver, CO, April 9, 2005.

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on decision simulation, Charles Simenstead's Wetlands Restoration Course – 2.5 hour session. Seventh year for this activity as the students and instructor enjoy the learning experience as it is conducted in the Geography Dept's Collaboratory, February 17, 2005.

An Internet Platform to Support Public Participation in Transportation Decision Making aka Participatory GIS for Transportation Project, Digital Government Conference, National Science Foundation, Seattle, WA, May 22, 2004.

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on decision simulation, Charles Simenstead's Wetlands Restoration Course – 2.5 hour session. Sixth year for this activity as the students and instructor enjoy the learning experience as it is conducted in the Geography Dept's Collaboratory, February 19, 2004.

An Internet Platform to Support Public Participation in Transportation Decision Making: Start-up Phase, Geography Colloquium, January 23, 2004.

Collaborative, Conjunctive Water Resource Administration in the Boise River Basin, Center for Water and Watershed Studies, College of Forest Resources seminar series, October 21, 2003.

Participatory Geographic Information Systems, Computer-Human Interaction Society, Puget Sound Region, May 27, 2003

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on decision simulation, Charles Simenstead's Wetlands Restoration Course – 2.5 hour session. Fifth year for this activity as the students and instructor enjoy the learning experience as it is conducted in the Geography Dept's Collaboratory, March 6, 2002.

Research Needs for Participatory, Geospatial Decision Support: Linked Representations for Sustainability Modeling, invited position paper for the Workshop on Intersections between Geospatial Information and Information Technology, National Research Council, Computer Science and Telecommunications Board, October 1-2, 2001, Washington, D. C.

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on decision simulation, Charles Simenstead's Wetlands Restoration Course – 2.5 hour session. Fourth year for this activity as the students and instructor really enjoy the learning experience as it is conducted in the Geography Dept's Collaboratory, March 13, 2001.

Data, Process, and Tools for Transportation Decision-Making, National Academy of Sciences, National Research Council, Commission On Geosciences, Environment, And Resources, Board On Earth Sciences And Resources, Committee On Geography, Workshop On Transportation Decision-Making: Place, Community, and Quality of Life, Beckmann Center, Irvine California, January 29, 2001

Theory and Practice in Geospatial Decision Support Education, Aurora Partnership Third Annual Meeting, Charleston, South Carolina, November 14, 2000.

Collaborative, Environmental Decision Making for Habitat Redevelopment, a facilitated hands-on decision simulation, Charles Simenstead's Wetlands Restoration Course – 2.5 hour session. Third year in a row for this activity as the students and instructor really enjoy the learning experience as it is conducted in the Geography Dept's Collaboratory, February 24, 2000.

Collaborative Decision Support for Habitat Redevelopment in the Duwamish Waterway of Seattle Washington : An Example of Local Political Restructuring, Kathryn Mitchell's Geography 100 Introduction to Human Geography, January 14, 2000.

Collaborative Decision Support for Habitat Redevelopment in the Duwamish Waterway of Seattle Washington : An Example of Local Political Restructuring, Michael Brown's Geography 100 Introduction to Human Geography, November 10, 1999.

Geographic Information Systems and Environmental Modeling, U of Washington, Computer Science Dept., March 12, 1999.

Geographic Information Systems for Group Decision Making, U of Washington, Computer Science Dept., March 7, 1999.

Geographic Information Systems for Risk Evaluation: Applications for Environmental Health, Water Quality Technology Conference, November, 4, 1998. San Diego, CA.

Geographic Information Systems for Risk Evaluation, National Center for Geographic Information and Analysis, workshop on GIS and Risk, State University of New York at Buffalo, September, 6-10, 1997.

Enhanced Adaptive Structuration Theory: A Theory of GIS-supported Collaborative Decision Making, National Center for Statistics and Environment, U of Washington, February 18, 1997.

Geographic Information Systems for Risk Evaluation: Perspectives on Applications to Human and Ecological Impacts, Society for Risk Analysis, New Orleans, LA, December 12, 1997.

Spatial Group Choice for Collaborative Decision Making and Empirical Research on GIS Use, Department of Rural Surveying, Swiss Federal Institute of Technology, Lausanne, Switzerland, November 13, 1997.

Spatial Database Integration, Department of Rural Surveying, Swiss Federal Institute of Technology, Lausanne, Switzerland, November 11, 1997.

Transportation Information Management, Department of Rural Surveying, Swiss Federal Institute of Technology, Lausanne, Switzerland, November 5, 1997.

GIS Implementation and Empirical Research, Department of Rural Surveying, Swiss Federal Institute of Technology, Lausanne, Switzerland, November 1, 1997.

GIS and Growth Management, Department of Rural Surveying, Swiss Federal Institute of Technology, Lausanne, Switzerland, October 24, 1997.

Spatial Decision Making Using GIS as Senior Scholar at the 1996 International Young Scholars Summer Institute in Geographic Information, National Science Foundation, European Science Foundation, Berlin, Germany, July 24- Aug 1, 1996.

GIS for Risk Evaluation at Hanford. Environmental Radiation Study Committee, University of Washington, May 14, 1996.

GIS for Risk Evaluation. Department of Environmental Health Seminar Series, University of Washington, March 7, 1996.

GIS for Risk Evaluation. Continuing Education Course Workshop Series, Department of Environmental Health, Urban Horticulture Center, University of Washington, February 23, 1996.

GIS for Public Health. Continuing Education Course Workshop Series, Department of Environmental Health, Urban Horticulture Center, University of Washington, November 17, 1995.

GIS for Collaborative Spatial Decision Support. Environmental Seminar Series, Graduate School of Public Affairs, University of Washington, October 19, 1995.

Collaborative Spatial Decision Making, Dept of Geography, University of Washington, Colloquium Series, October 13, 1995.

Position Paper on Task Models for Collaborative Spatial Decision Making, as a member of the Steering Committee, NCGIA Specialist Meeting I-17, September 18-20, 1995.

Learning How To Learn With Life-Long Learning Skills, Phi Beta Kappa Graduation Reception, University of Washington, June 9, 1995.

GIS Support for Collaborative Management of Highway Stormwater Runoff, invited lecture in the Dept of Geography, The University of Iowa, Iowa City, Iowa, April 28, 1994.

Design Considerations for Geographic Information Systems for Transportation, AAG Meeting, Atlanta, GA, April 7, 1993.

Group Decision Support for Habitat Development, URISA/ASPRS Meeting, Portland, OR, March 30, 1993.

A View of the National Spatial Data Infrastructure, position paper invited for the Experts Meeting on the National Spatial Data Infrastructure, Federal Geographic Data Committee, Charleston, SC, February 19, 1993.

Conceptual Basis for a Cognitive Theory of Geographic Information Use, Paper Session on Cognitive Issues in GIS, AAG Meeting, San Diego, CA, April 17, 1992.

Meeting the Need for GIS Education at the University of Washington, Fall meeting of the Northwest Computer-Aided Mapping Association, November 13, 1991, Seattle, Washington.

GIS for Transportation Planning, as part of Workshop on Spreadsheet, Databases and GIS, sponsored by Lincoln Institute for Land Policy, Cambridge MA, November 1, 1991, held at Stouffer Madison Hotel, Seattle, Washington.

An Overview of GIS for Environmental Modeling First International Conference/Workshop on Integration of Geographic Information Systems and Environmental Modeling, sponsored by National Center for Geographic Information and Analysis, and several Federal agencies including the U. S. EPA, U. S. Dept of Interior/Geological Survey, Dept of Energy/Oak Ridge, Dept of Fish and Wildlife plus several others, Boulder, CO, September, 15-19, 1991.

Thinking with Geographic Information: Requirements for GIS User Interfaces, invited paper, National Center for Geographic Information and Analysis Initiative 13 Specialist Meeting, Human Computer Interaction, June 21-26, 1991, Buffalo, New York.

Interjurisdictional Concurrency in Growth Management: A Tough Challenge for GIS-T, Spring meeting of Northwest Computer-Aided Mapping Association, Sea-Tac, June 4, 1991.

Thinking with Geographic Information: Forming Mental Models of the World, Department of Geography, UC Santa Barbara, May 16, 1991.

Thinking, Cognition and Geographic Information, Panel on User Interface Solutions for GIS, Meetings of AAG, Miami, FL, April 15, 1991

Directions and Issues in the Future of GIS, Third North Carolina GIS Conference, Raleigh, NC, January 11, 1991.

Data Standards for Cartography and GIS, for Workshop on Understanding Database Design, sponsored by University of Wisconsin-Madison, Department of Professional Development, May 22, 1990.

Suitable Representation Schemes for Geographic Information Abstraction in Map Generalization, for Symposium Towards a Rule Base for Map Generalization, sponsored by National Center for Geographic Information and Analysis and Syracuse University, April 15-18, 1990. Same paper presented at AAG Toronto Meetings, April 20, 1990.

Development of a State-wide Transportation Network from TIGER/Line Files Transportation Research Board, Subcommittee on GIS in Transportation, Washington, D. C. January 8, 1990.

Design Considerations for GIS for Transportation Modeling, Transportation Modeling Interest Group Meeting 2, sponsored by FHWA and WSDOT, October 17, 1989.

Instructional Development in Cartography and GIS at the University of Washington, GIS in Higher Education, Second Annual Meeting, sponsored by the International Geographical Union Commission on GIS and the Ohio State University Department of Geography, June 11, 1989.

TIGER Tales of GIS for Transportation at the University of Washington, State Data Center Western Regional Conference, Seattle, Washington, June 7, 1989.

A Grammar for Cartographic Databases, Languages of Spatial Relations: Specialist Meeting for NCGIA Research Initiative 2 sponsored by the National Center for Geographic Information and Analysis, February 19-22, 1989.

An Integrated Curriculum in Cartography and GIS, Joint Meeting of the Washington State Mapping Advisory Committee and Northwest Computer-aided Mapping Association, Tacoma, WA, October 26, 1988.

Multipurpose Geographic Database Guidelines for Local Government, Joint Meeting of the Washington State Mapping Advisory Committee and Northwest Computer-aided Mapping Association, Tacoma, WA October 26, 1988.

Functionality in Geographic Information Systems for Transportation, Meetings of the Urban and Regional Information Systems Association, Los Angeles, CA, August 6, 1988.

A Framework for Curriculum Development in Cartography and GIS, GIS in University Education, sponsored by the IGU Commission on Data Processing and Sensing, The Ohio State University, April 30, 1988.

Digital Cartographic Data Standards, Computer-Assisted Cartography Conference, Western States Departments of Transportation sponsored by the Federal Highways Administration. Olympia Washington, September, 1987.

Getting Started in a Multipurpose Land Information System, Washington State Section of the American Congress on Surveying and Mapping, Ellensburg, Washington, September, 1987.

Assessing the State of Microcomputer Mapping and GIS, Northwest Computer-Aided Mapping Association Spring Quarterly Meeting, Seattle, Washington. April, 1987.

A Spatial Data Exchange Standard, National Committee for Digital Cartographic Data Standards, International Symposium on Computer-Assisted Cartography, Baltimore Maryland, April 2, 1987.

Developing the Northwest Computer-Aided Mapping Profession, Northwest Computer-Aided Mapping Association Fall Quarterly Meeting organizer - Developing the Northwest Computer-Aided Mapping Profession, University of Washington, November, 1986.

Current Status of the National Committee for Digital Cartographic Data Standards, American Congress on Surveying and Mapping Fall Technical Meetings, Anchorage, Alaska, September, 1986.

The Future of Land Information System Integration, Workshop on Modernizing Land Records Systems and Developing Multipurpose Land Information Systems, Center for Urban Studies, Portland State University, May, 1986, Portland, Oregon.

Computer Mapping at the University of Washington, State of Washington Mapping Advisory Committee and Northwest Computer-Aided Mapping Association, Washington Department of Natural Resources, April, 1986.

The State of Cartographic Information Systems, Geography Department, Portland State University, Portland, Oregon, January, 1986.

Panel Discussion on Data Interchange for Computer-Assisted Mapping, Northwest Computer-Aided Mapping Association, March, 1985

Issues in Digital Cartographic Data Standards, Northwest Computer-Aided Mapping Association, March, 1983.

Database Modeling in Distribution Facilities Management, Keystone V Conference, Keystone, Colorado, August 1982.

RESEARCH INTERESTS

- Spatial Information Representation Theory in Sustainability Information Science
- CyberGIS Software Integration for Sustained Geospatial Innovation
- Spatial-temporal Modeling of Coastal Resilience
- Participatory Interaction Modeling of Online Geographic Decision Making
- Spatial-Temporal Modeling of Watershed Sustainability
- Large-scale geospatial data libraries for public decision support
- Collaborative Decision Support for Water Resources
- Collaborative Decision Support for Coastal Resilience
- GIS for Risk Evaluation and Decision Analysis
- Student learning outcomes within group projects with GIS
- Geographic information representation, human cognition, and user interfaces
- Land use, transportation, and environmental applications of GIS

GRANT/CONTRACT AWARDS

July 1 2012 – June 30, 2015. Collaborative Geospatial Information Technologies at the Learning Frontier, Student Technology Fee Committee, \$131,000.

October 1, 2010 – September 30, 2016. CyberGIS Software Integration for Sustained Geospatial Innovation, Shaowen Wang (PI), Co-PI's Luc Anselin, Budhendra L. Bhaduri, Xuan Shi, Timothy L. Nyerges, Nancy R. Wilkins-Diehr, Office of Cyberinfrastructure, Software Institutes, Cross-Directorate Active Programs, Geography and Spatial Sciences, Method, Measure & Statistics, OCI-1047916, \$4.4M total, \$687,410 UW for 6 years.

June 1, 2011 – December 31, 2011. Geospatial Extension Program: Improving Community Well-being and Resiliency, Sean Ahearn and Tim Nyerges co-project leads, Department of Homeland Security contract with University Consortium for Geographic Information Science. Travel Support for convening 24 scholars and agency personnel. \$53,800.

October 1, 2009 – February 29, 2012 Participatory Interaction Modeling of Online Geographic Decision Making, Timothy Nyerges (PI), Robert Aguirre, Robert W. Aguirre, PLLC (CoPI), National Science Foundation, Geography and Spatial Sciences Program, BCS-0921688, \$215,001.

August 1, 2007 – July 31, 2010. Geospatial Decision Support Tools for Coastal Resource Management: Vulnerability Maps Characterizing Regional Climate Variability and Change Impacts, Timothy Nyerges (PI), Dawn Wright, Oregon State University (Co-PI), Robert Aguirre, Robert W. Aguirre, PLLC (Co-PI), National Oceanic and Atmospheric Administration, Climate Program, Project No. NA07OAR4310410, \$287,113. seeking no-cost extension

September 1, 2007 – August 31, 2008. T. Nyerges (PI) \$50,000 supplemental award, US/China Digital Government Collaboration: Comparing Water Resources Decision Support Situations, Techniques, and Tools, for An Internet Platform To Support Public Participation In Transportation Decision Making, National Science Foundation, Division Of Experimental & Integrative Activity, Information Technology Research Program, Project Number EIA 0325916 managed by the Digital Government Program.

September 1, 2004 – August 31, 2009. Multi-Ethnic Study of Atherosclerosis (MESA) Air Pollution Study, Joel Kaufman (PI), Dept of Occupational and Environmental Health, University of Washington, funded by the Environmental Protection Agency, \$30,000,000, Tim Nyerges is senior scientist, and is supervising the Geography GIS graduate student responsible for GIS database design. \$35,000 per year.

September 1, 2003 – August 31, 2008, T. Nyerges, (PI), Co-PI's T. Brooks, C. Drew, G. Scott Rutherford, U Of Washington, P. Jankowski, San Diego State University, R. Young, University Of Wyoming. An Internet Platform To Support Public Participation In Transportation Decision Making, National Science Foundation, Division Of Experimental & Integrative Activity, Information Technology Research Program, Project Number EIA 0325916 managed by the Digital Government Program, \$2,682,828.

August 10, 2004 – August, 2005. T. Nyerges DBA as Geo Info Consulting, expert witness consulting about Transportation Delivery Routing for Hunton and Williams, LLP, Norfolk, VA.

April 5, 2004 – April 2005. T. Nyerges DBA as Geo Info Consulting, expert witness consulting about Internet GIS for Woodcock and Washburn, LLP, Philadelphia PA.

November 8, 2004 – December 15, 2004. Texas Higher Education Coordinating Board, Consultant to Committee on evaluating a proposed program of "Doctor of Philosophy in Geospatial Information

Sciences” submitted by the School of Social Sciences, School of Natural Sciences and Mathematics, and Erik Jonsson School of Engineering and Computer Science.

March 31, 2003 – June 15, 2004, T. Nyerges, Information Technology for Student-directed Research Teams, Student Technology Fee Proposal Competition, University of Washington, \$17,000

September 15, 2002 – March 31, 2003. T. Nyerges, N. Chrisman, M. Yuan, GeoInfo Consulting, Critique and design of nationwide GIS-based Risk Models of Natural Hazards, Geotrac Inc., Norwalk Ohio. \$40,000.

August 1, 2001 – July 31, 2004. T. Nyerges, Co-PI, (P. Jankowski, PI) A Study of Geographic Information Technology Use in Collaborative Water Resource Planning. National Science Foundation, Nyerges subcontract is \$49, 853. full amount is \$150,000.

June 16, 2001 – June 15, 2002. T. Nyerges PI. GIS for Sustainability Studies. UW College of Arts & Sciences Curriculum Development Award. \$20,000

September 16, 2000 - September 15, 2002. CRESP II - Consortium for Risk Evaluation with Stakeholder Participation, one of 25 members of research team, Charles Powers, Institute for Risk Management, PI, Elaine Faustman, University of Washington, CO-PI, U. S. Department of Energy, \$35,000/year my part of \$6,000,000 total.

June 1999 – June 2001. T. Nyerges, senior consultant and eventually co-PI, Transportation Planning Uses of Commercial Data, KJS Associates, Inc. Bellevue, WA, project involving product development grant, U. S. Dept of Transportation, Federal Highways Administration, Small Business Innovation Research. \$70,000 of \$500,000 project.

July 15, 1998 - July 15, 1999. Workshop Facilitation for Multidimensional, Multimodal Transportation Referencing, consultant to NCHRP 20-27 - 3, Teresa Adams, Dept Civil and Environmental Engineering, University of Wisconsin. \$1,500.

July 15, 1998 – December 15, 1998. Spatial Decision Support Learning Units, Geo Choice. Inc. for Institute for Aerospace Survey and Earth Sciences, Enschede, Netherlands. \$3,000.

April, 1998. T. Nyerges PI. Objectives and Outcomes Assessment: Portable Information Technology for Curriculum Enhancement. Funded by College of Arts & Sciences, \$3,000.

September 16, 1998 – September 15, 1999. Visualization of Uncertainty, National Research Center for Statistics and Environment, T. Nyerges and N. Hedley co-PI's., \$15,000.

1997. T. Drop-in Access to High-End Geographic Computing Equipment for Students in Department of Geography, University of Washington. Funded by University of Washington Student Tech Fee Committee, Nyerges PI, \$65,000

June 16, 1996 - June 15, 1998. Learning Skills for Undergraduate Education in Geography, as writing advisor to L. Jarosz, G. Krumme, J. Mayer, K. Mitchell co-PI's, National Science Foundation, Division of Undergraduate Education, Instrumentation and Laboratory Improvement Program, \$48,000.

March 15, 1996 - September 15, 1997. Equipment for Videotape Data Coding and Analysis, as supplement to Collaborative Spatial Decision Making Using Geographic Information Technology and Multicriteria Decision Models. T. Nyerges, PI, National Science Foundation, Social and Behavioral Sciences Division, Geography and Regional Science Program (\$8,000), with matching funds from the University of Washington (\$5,850).

September 16, 1995 - March 15, 2000. CRESP - Consortium for Risk Evaluation with Stakeholder Participation, one of 25 members of research team, Bernard Goldstein, Rutgers, PI, Elaine Faustman, University of Washington, CO-PI, U. S. Department of Energy, \$45,000/year my part, \$4,000,000 total.

June 16, 1995 - June 15, 1996. Electronic Library Resources for Upper-Division Undergraduate Geography Courses, G. Krumme, T. Nyerges and A. Zald, Allen Foundation, University of Washington, \$9,000.

January 15, 1995 - December 15, 1995. Collaborative Spatial Decision Making Supplement for Undergraduate Research. T. Nyerges, PI, National Science Foundation, Social and Behavioral Sciences Division, Geography and Regional Science Program, \$5,000

September 16, 1994 - September 15, 1998. Collaborative Spatial Decision Making Using Geographic Information Technology and Multicriteria Decision Models. T. Nyerges, PI, and P. Jankowski, CO-PI, National Science Foundation, Social and Behavioral Sciences Division, Geography and Regional Science Program, \$126,000 (UW part), co-PI with Piotr Jankowski, Geography, University of Idaho.

June 16, 1994 - June 15, 1996. Facilitating Collaborative Learning and Critical Thinking in a Geographic Information System Laboratory for Undergraduate Education. T. Nyerges, PI, N. Chrisman Co-PI, National Science Foundation, Division of Undergraduate Education, Instrumentation and Laboratory Improvement Program, \$50,000.

June 1, 1994 - December 31, 1996. D. Dailey (PI), M. Haselkorn (Co-PI), T. Nyerges (Co-PI), IVHS-Network and Data Fusion, Federal Highway Administration and Washington State Department of Transportation, Olympia, WA, my part 25,000/year \$246,00.

July 15, 1994 - July 15, 1995. Advanced Application Architectures for GIS-T, consultant to NCHRP 20-27 - 2, Alan Vonderohe, Dept Civil and Environmental Engineering, University of Wisconsin. \$10,000.

March 15, 1994 - August 15, 1995. Cognitive Aspects of Human-Computer Interaction in GIS, National Science Foundation, International Program, Collaborative Research Workshop, March 21-25, 1994, Spain, PI, \$19,986, supplemental award to NATO award.

January 1, 1994 - August 15, 1995. Cognitive Aspects of Human-Computer Interaction in GIS, NATO Scientific Programme, Advanced Research Workshop, March 21-25, 1994, Spain, PI, \$17,000.

June 9, 1993 - June 30, 1993. Digital Map Conversion Services: Intergraph IGDS to ESRI ARC/INFO, Puget Sound Regional Council. \$9,000.

July 1, 1991 - December 31, 1992. GIS for Environmental Superfund Cleanup of Commencement Bay, ATOCHEM North America. \$30,000.

July 1, 1991 - September 30, 1992. GIS for Transportation Planning, Washington State Department of Transportation; Planning, Research and Public Transportation Branch. \$49,700.

May-August, 1990. contract for assistance with GIS Strategic Implementation Plan Development, Washington State Department of Transportation; Geographic Services Branch. \$5,000.

June, 1989. Subcontract with Institute for Transportation Research and Education (ITRE), Research Triangle Park, North Carolina, to support North Carolina State Department of Transportation on issues involving State-wide Transportation GIS Design and Implementation. \$15,000.

February, 1989. TIGER File Evaluation, Washington State Department of Transportation, Washington Transportation Research Center, Principal Investigator, in conjunction with Bureau of Census JSA 88-28, \$10,000.

October, 1988. Joint Statistical Agreement 88-28, U S Bureau of the Census, University of Washington, Principal Investigator, TIGER File Demonstration Project for Transportation Analysis in Washington State, \$50,000.

October, 1987. Washington Transportation Research and Analysis Center, Washington Department of Transportation, Principal Investigator, Automating the Production of Collision Diagrams, \$30,500.

March, 1986. IBM Olympus Program, Principal Investigator, Supplement to Previous Award, \$13,000.

January, 1986. Digital Equipment Corporation, ISIS Program, Co-principal Investigator, Integrating Geo Data Processing, \$11,000.

September, 1986. Index Technology, Principal Investigator, Spatial Information System Design in Education, \$4,000.

December, 1985. IBM Olympus Program, Principal Investigator, Microcomputer Geographic Data Processing, \$28,000.

1985 -1991. Subcontract with Boeing Computer Services to support the State of Alaska Department of Transportation and Public Facilities with specification, design and implementation of geographic information systems in support of their highway analysis and georeferencing systems. \$100,000.

EDITORIAL RESPONSIBILITIES

2013 - 2014. Guest Editor. *International Journal of Geographic Information*, Special issue Coastal GIS

2011 - 2014. Editorial Board, *Journal of Urban and Regional Information Systems Association*

2006 - present. Editorial Board, *Journal of Intelligent Decision Technologies*

1997- 2012. Editorial Board, *International Journal of Geographic Information Science*

2006 - 2010. Editorial Board, Methods and Models, *Annals*, Association of American Geographers

1996 - 1997. Editorial Board, *Journal of Geographic Information and Decision Analysis*.

1991 - 1994. Editorial Board, *Cartography and Geographic Information Systems*.

Portugal Node of European Science Foundation; National Science Foundation, Social and Behavioral Science Directorate, Geography and Regional Science Program; Methodology, Measurement, and Statistics Program and Decision, Risk and Management Sciences Program, Engineering Directorate, Metropolitan Research Center for Transportation, Geophysical Science Program, Division of Undergraduate Education; Computer and Information Sciences and Engineering Directorate, National Science Foundation, Methodology, Measurement and Statistics Program; UW Royalty Research Fund, National Science Foundation, Presidential Young Investigators Review, UW Dentistry Research, Geoid Canada

MEETINGS/SESSIONS ORGANIZED

Geodesign Workshop. Organizer and facilitator together with Carl Steinitz, Geodesign Dynamics within Complex Sustainable Systems. University of Washington, May 6-8, 2015.

Pacific Northwest Geodesign Forum. University of Washington – Seattle campus. One-day, open to public forum, presentations, and small group discussion about the potential for Geodesign in the greater Seattle region. Four campus units contributing to organizing and funding. May 7, 2014.
<http://depts.washington.edu/pgist/slcn/content/pacific-northwest-geodesign-forum>

CyberGIS Architectures for Collaborative Problem Solving, Panel Organizer and Chair, Association of American Geographers Annual Meeting, April 23, 2015.

Sustainability Learning Communities Network, Panel Organizer, Association of American Geographers Annual Meeting, April 9, 2014.

Symposium on Synergistic Advances of CyberGIS and Geography: Fostering Synergistic Advances of CyberGIS and Geography, panel organizer, Association of American Geographers Annual Meeting, April 10, 2014.

CyberGIS '13: NSF CyberGIS Project All Hands Meeting, Shaowen Wang and Tim Nyerges CoChair organizers. University of Washington, September 15-17, Seattle, Washington.
<http://www.cigi.illinois.edu/cybergis13/>

Sustainability Learning Communities Network Workshop, University Consortium for Geographic Information Science, George Mason University, May 20, 2013.

CyberGIS and Sustainability Science, one paper session and one panel session, Association of American Geographers Annual Meeting, Los Angeles, April 10-12, 2013.

CyberGIS '12: First International Conference on Space., Time and CyberGIS. Shaowen Wang, Chair, Michael Goodchild, Honorary Chair, Timothy Nyerges, CoChair organizers. University of Illinois, Urbana-Champaign, August 6-10, 2012, Urbana-Champaign, Illinois.
<http://www.cigi.illinois.edu/cybergis12/>

Geospatial Extension Program: Improving Community Well-being and Resiliency, Sean Ahearn and Tim Nyerges co-project leads, Department of Homeland Security, September 19, 2011; November 3, 2011, University Consortium for Geographic Information Science. Travel Support for convening 24 scholars and agency personnel.

GIS for Livable and Sustainable Communities, University Consortium for Geographic Information Science and Transportation Research Board Committee on GIS, National Academy of Sciences, Washington DC, May 5-6, 2011.

President, Co-Organizer, Place-based Geospatial Summit, University Consortium for Geographic Information Science February 3-4, 2011, Washington DC.

CyberGIS Workshop, Integration Requirements Analysis, February 2, 2011, Washington, DC.

President, Co-Organizer, Place-based Policy and Analysis, University Consortium for Geographic Information Science February 4-5, 2010, Washington, DC.

President-elect, Program Organizer, GIScience and Transportation, University Consortium for Geographic Information Science February 5-6, 2009, Washington DC.

Research Committee Chair, Program Organizer, University Consortium for Geographic Information Science 2008 Winter Meeting, Cyberinfrastructure, February 7-8, 2008, Washington DC.

Research Committee Chair, Program Organizer, University Consortium for Geographic Information Science 2007 Summer Assembly, Global Change, June 26-29, 2007, Yellowstone, Wyoming.

Research Committee Chair, Program Organizer, University Consortium for Geographic Information Science 2006 Summer Assembly, June 28-July 1, 2006, Vancouver WA.

Organizer of Six Sessions at 2006 AAG Annual Meeting, Chicago
Indigenous Geographic Information Science and Systems - I
Indigenous Geographic Information Science and Systems - II
Conceptualizing Participatory GIS Activities
Diverse Representations of Geographic Information
with Matthew W. Wilson, The Politics of Participatory GIS – I
with Kevin Ramsey, The Politics of Participatory GIS – II

Program Committee Chair, URISA Public Participation Geographic Information Systems Conference, Cleveland OH July 29- August 2, 2005.

Research Committee Chair, Program Organizer, University Consortium for Geographic Information Science 2005 Summer Assembly, June 28-July 1, 2005, Jackson Hole Wyoming.

Organizer and chair, Panel Session, Foundations and Prospects for Participatory Geographic Information Sciences, Annual Meetings of the Association of American Geographers, Denver CO, April 9, 2005.

Chair, Paper Session, Emerging Themes in GIS, Annual Meetings of the Association of American Geographers, Denver CO, April 8, 2005.

Co-Organizer and chair, Participatory GIS Design and Evaluation, Annual Meetings of the Association of American Geographers, Philadelphia, PA March 15-19, 2004.

Organizer and chair, Design and Evaluation of PGIS for Collaborative Water Resource Planning, 2nd Annual Public Participation in GIS Meeting, URISA, Portland OR, July 20-22, 2003.

Organizer and chair, Fleming Lecture, Annual Meeting of Association of American Geographers, Honolulu, Hawaii, March 24, 1999.

Organizer, and chair, GIS and Risk Assessment, Society for Risk Analysis, Washington, D. C., December 11-13, 1997.

Organizer, and co-chair, GIS and Risk Assessment, Association of American Geographers, Ft. Worth, TX April 1-6, 1997.

Steering Committee, Specialist Meeting for Initiative 17, Collaborative Spatial Decision Making, National Center for Geographic Information and Analysis, Santa Barbara, CA, September 17-21, 1995.

Director, NATO Advanced Research Workshop, Cognitive Aspects of Human-Computer Interaction for GIS, Mallorca, Spain, March 21-25, 1994.

Paper Session Co-organized with Shi-Lung Shaw, GIS for Transportation, AAG Meeting, Miami, FL, 1991.

Organizer and chair, panel discussion on GIS and Geographic Modeling, Annual AAG Meeting, Toronto, Canada, April, 1990.

Organizer and chair, panel discussion on Model Curriculum Development for GIS in University Education, Auto-Carto 9, Baltimore, MD, April, 4, 1989.

Organizer and chair, Northwest International Forum on GIS Research and Teaching, Friday Harbor, Washington, October 27-29, 1988.

Organizer and chair, A Framework for Data Sharing in a Multipurpose Land Information System Network, Northwest Computer-aided Mapping Association in cooperation with the Washington State Mapping Advisory Committee, October 26, 1988.

Organizer and chair, Developing the Northwest Computer-aided Mapping Profession, sponsored by the Northwest Computer-aided Mapping Association, University of Washington, November 12, 1986.

COURSES TAUGHT

at the Ohio State University:

Introduction to Economic Geography

at the University of Washington (* currently taught in rotation):

*Coastal Geographic Information Systems

*Geographic Information Systems Workshop

*Research Seminar on Geographic Information Representation: Toward a Sustainability Information Science

*Geographic Information Systems Problem Solving

*Geographic Information Systems Data Management

Geographic Information Systems and Decision Support

Principles of GIS Mapping

GIS Database Programming

Introduction to Computer Cartography

Computer Cartographics / Analytical Cartography

Urban Geographic Information Systems

GIS-based Decision Support

Multipurpose Land Information Systems

Geographic Information Systems Management

Research Seminar: Knowledge Representation

Research Seminar in Geographic Information Representation

Expert Systems and Geographic Information

Geographic Information Systems for Risk Evaluation
 Geography Tutorial for Majors
 Geography Honors Tutorial
 Analytic Cartography: Internet GIS Programming
 Geographic Information Systems Analysis

NATIONAL PROFESSIONAL ORGANIZATIONS AND COMMITTEES

1/15 – present. President, Spatial Decision Support Consortium. 40 scholars world-wide within a research network about spatial decision support.

1/14 – present. Treasurer, University Consortium of Geographic Information Science

11/14 Panel Review, National Science Foundation Division of Computer and Information Science and Engineering, and Advanced CyberInfrastructure, Arlington VA.

1/13 – present. Coordinator, University Consortium of Geographic Information Science, Sustainability Learning Communities Network

2/11 –12/13. member, National Geospatial Advisory Committee, appointment by the Secretary of the US Department of Interior.

2/11 – 2/13, Immediate Past President (reappointed 2012-2014), University Consortium of Geographic Information Science

2/09 – 2/11, President, University Consortium of Geographic Information Science

2/08 – 2/09, President-Elect, University Consortium of Geographic Information Science

3/05 – 2/08, Research Chair, University Consortium of Geographic Information Science

4/05 – 3/06, Past Chair, GIS Specialty Group, Association of American Geographers

3/04 –4/05, Chair, GIS Specialty Group, Association of American Geographers

4/03 –3/04, Vice Chair, GIS Specialty Group, Association of American Geographers

2/02 – 2/03 appointed as member, Committee to Review Geographic Information Systems Research and Applications at HUD: Current Programs and Future Prospects, appointment through National Research Council, Board on Earth Sciences and Resources, Committee on Geography

5/01 Panel Review National Science Foundation Information Technology Research Initiative, Washington D. C.

9/98 - 1/05, Technical Advisor, Thornton Creek Project, Educational Committee, City of Seattle Public Schools.

8/98 Panel Review, National Science Foundation Knowledge and Distributed Intelligence, Washington D. C.

11/97 Panel Review, National Science Foundation Division of Undergraduate Education, Instrumentation and Laboratory Improvement, Washington, D. C.

11/95 Panel Review, National Science Foundation Division of Undergraduate Education, Instrumentation and Laboratory Improvement, Washington, D. C.

11/94 - 5/95 advisor, Puget Sound Regional Council, Technical Advisory Committee Transportation Emissions and Geographic Information Systems.

7/92 - 3/93. advisor to U. S. Federal Geographic Data Committee for National Spatial Data Infrastructure. Meeting, Spring 1993.

9/92 - 10/92. Strategic Planning Sessions. Washington Geographic Information Council.

4/91 - 4/94. Board of Directors, Transportation Specialty Group, AAG.

4/91 - 4/92. Treasurer and Academic Councilor, GIS Specialty Group, AAG.

1/90 - Present. Member, Subcommittee on GIS in Transportation, Subcommittee of TRB Committee on Transportation Data and Information Systems.

1989-1990. Member, GIS Strategy Committee, American Cartographic Association, American Congress on Surveying and Mapping.

4/89 - present Standards Work Group. Washington Geographic Information Council.

1986-1989. Curriculum Chairman, AAG GIS Specialty Group.

1987-1989. Ad hoc Committee on Model Curriculum Development, Cartography and Information Systems, American Congress on Surveying and Mapping, American Cartographic Association.

1985-1990. Board of Directors, Northwest Computer-Aided Mapping Association.

- 9/85-9/89. Advisory Member, Washington State Mapping Advisory Committee, Chaired by Department of Natural Resources.
- 8/87 - 4/88. Database Standards for Local Government, Joint Committee on Geographic Information Management Systems, American Congress on Surveying and Mapping and American Society of Photogrammetry and Remote Sensing.
- 3/87 - 3/88. Advisory Member, Task Force on National Digital Cartographic Data Standards, U. S. Geological Survey.
- 1986-87. Board of Directors, American Cartographic Association Division, American Congress on Surveying and Mapping.
- 6/82 - 3/87. Chairman, Technical Working Group on Data Organization, National Committee for Digital Cartographic Data Standards.
- 3/82 - 3/87. Steering Committee, National Committee for Digital Cartographic Data Standards.

UNIVERSITY COMMITTEES

- 02/10-6/13. Washington State Geospatial Data Archive (WAGDA) Enhancement, University of Washington Geospatial Information Consortium.
- 9/07-12/07. Review Committee of Graduate Certificate Program in Environmental Management
- 09/06 – 10/06. Advisory Board, UW Certificate Program in Tsunami Science, UW Extension and Summer School.
- 09/04 – present. Advisory Board, UW Certificate Program in GIS, UW Extension and Summer School.
- 9/00 – 6/03. Board of Directors, Program on Environment
- 02/03 – present delegate, UCGIS, UW Consortium for Geographic Information and Analysis
- 03/02 - 6/02. Ad Hoc Committee for Program Assessment, Program on the Environment
- 1/01 – 3/01. Ad Hoc Working Group on Capstone Review, Program on the Environment
- 6/00 – 6/02. Washington State Ad hoc Working Group on Assessment of Information and Technological Literacy.
- 9/95 – present. Interdisciplinary Ph.D. Program in Planning
- 9/95 - 6/96. Faculty Senate voting member (via Faculty Council on Educational Technology)
- 9/95 - 6/96. Faculty Senate Executive Committee, Ex Officio. (via Faculty Council on Educational Technology)
- 9/95- 6/96. Member, Provost's Ad hoc Committee on Educational Technology and Distance Learning.
- 9/95 - 6/96. Chair, Faculty Council on Educational Technology.
- 9/94 – 8/97. Member, Faculty Council on Educational Technology.
- 9/94 - 5/95. College of Arts and Sciences, Search Committee for Chair, Geography Department.
- 4/93 - 9/94. Member, State Environmental Protection Advisory Committee.
- 4/93 - 7/93 Ad hoc Committee for Expansion of Recreational Sports Facilities
- 9/91 - 6/94. Member, Faculty Council for University Facilities and Services.
- 9/91 – 8/96. Director, Governing Board, Center for Social Science Computation and Research. College of Arts and Sciences.
- 9/90 - 6/91: Faculty Search Committee for GIS Faculty - Civil Engineering.

GEOGRAPHY DEPARTMENT COMMITTEES

- 3/09 – present. Director, Master of GIS for Sustainability Management Program
- 9/11 – 9/13. Technology Coordinator
- 9/07 – 9/08. Executive Committee
- 9/06 – 9/07. Technology Coordinator
- 9/05 – 4/06. Chair, Search Committee, Geographic Information Science faculty position
- 7/03 – 9/07. Graduate Program Coordinator and Chair of Graduate Committee
- 4/03 – 3/04. Executive Committee
- 9/01 – 9/03. Graduate Admissions Committee, Member
- 9/00 – 9/01. Undergraduate Research Symposium Committee, Chair
- 9/99 – 9/00. Undergraduate Research Symposium Committee, Member
- 9/98 – 9/00. Undergraduate Program Coordinator
- 9/98 – 9/00. Chair, Undergraduate Curriculum Committee

9/98 – 8/99. Geography Undergraduate Honors Coordinator
9/98 – 6/99. Technology TA Coordinator
9/97 – 6/98. Graduate Admissions Committee
9/97 – 9/98. Chair, Space and Information Technology Committee
9/97 – 12/97. Geography Executive Committee
9/96 - 6/97. sabbatical year
5/95 - 3/96. Member, Executive Committee.
9/94 - 6/96. Co-Chair, Geography and Library Ad hoc Working Group.
9/93 - 6/96. Member, Library Committee.
9/93 - 6/95. Member, Program Development Committee.
9/91 – 8/96. Chair, Departmental Information Technologies Committee.
1/91 - 1/92. Member, Executive Committee.
9/90 - 9/91. Program Development Committee.
9/85 - 9/91. Computer and Information Services Advisory Committee.
9/86 - 6/88. Graduate Admissions Committee.

OHIO STATE UNIVERSITY AND DEPARTMENT COMMITTEES

3/79 - 6/80. Internal Curriculum Review Committee, Graduate Student Representative, Department of Geography, Ohio State University.
9/79 - 6/80. Graduate Student Representative-at-Large to Advisory Committee on Computing September.
1/80 - 6/80. Graduate Student Representative to Internal Curriculum Review Committee on Cartography, Department of Geography, Ohio State University.
1/77 - 8/79. Department of Geography Representative to the Council of Graduate Students, Ohio State University.

COMMUNITY SERVICE

5/13 – 12/15. Regional Open Space Strategies, Puget Sound Regional Council
9/04 – 9/07. GreenHeart Project, GIS Technical Advisory Committee
9/03 – 12/05. Homewaters Project, GIS Advisory Committee
9/98 – 8/03 Thornton Creek Project, GIS Advisory Committee

PROMOTION REVIEW COMMITTEES - INTERNAL REVIEW/EVALUATION

Sarah Elwood, tenure and promotion to associate professor
Michael Brown, tenure and promotion to full professor
Kam Wing Chan, third-year review
Kam Wing Chan, tenure and promotion to associate professor
Lucy Jarosz, third-year review
Lucy Jarosz, tenure and promotion to associate professor
Kam Wing Chan, tenure and promotion to full professor
Suzanne Davies-Withers, third year review
Michael Brown, tenure and promotion to associate professor

PROGRAM REVIEW - EXTERNAL EVALUATION

05/2012 Program Review, Department of International Development, Community, and Environment, Clark University.
05/2004 Program Review. Department of Geography-Geospatial Science, University of Texas, Dallas.

PROMOTION REVIEW - EXTERNAL EVALUATION

09/2015 Jochen Albrecht, City University of New York, Hunter College, Geography, promotion to full professor.
09/2015 Laxmi Ramasubramanian, City University of New York, Hunter College, Urban Planning, promotion to full professor (withdrawn).
09/2011 Thomas Cova, University of Utah, Department of Geography, promotion to full professor.

- 08/2011 Elizabeth Wentz, Arizona State University, School of Geographical Sciences and Urban Planning, promotion to full professor
- 01/2011 Muki Haklay, University College London, promotion to full professor
- 12/2009 Hassan Karimi, University of Pittsburgh, Information Sciences, promotion to full professor.
- 10/2009 Kevin Curtin, George Mason University, Department of Geography and Geoinformation Science, promotion and tenure to associate professor
- 09/2009 Kathleen Stewart, University of Iowa, Department of Geography, tenure and promotion to associate professor.
- 09/2009 Steven Prager, University of Wyoming, Department of Geography, tenure and promotion to associate professor.
- 10/2008 Raj Sengupta, McGill University, Department of Geography and School of Environment, tenure and promotion
- 08/2008 Keiron Bailey, University of Arizona, Department of Geography and Regional Development, tenure and promotion to associate professor.
- 01/2008 Richard Kingston, University of Manchester, School of Environment and Development, promotion to senior lecturer
- 08/2007 Robert Edsall, Arizona State University, School of Geographical Sciences, tenure and promotion to associate professor
- 09/2006 Jacek Malczewski, University of Western Ontario, Social Science Centre, promotion and tenure
- 05/2006 David Mark, State University of New York – Buffalo, Department of Geography, promotion to Distinguished Professor
- 10/2005 Suzana Dragicevic, Simon Fraser University, Department of Geography, tenure and promotion review
- 09/2005 Helen Couclelis, Dept of Geography, University of California, Santa Barbara, senior step professor
- 09/2005 Laxmi Ramasubranian, City University of New York, Dept of Architecture and City Planning, Hunter College, tenure review as associate professor
- 05/2005 Martin Bunch, York University, Faculty of Environmental Studies, promotion and tenure
- 01/2005 Laxmi Ramasubranian, City University of New York, Dept of Architecture and City Planning, Hunter College, promotion review to associate professor
- 09/2004 Renee Reitsma, Department of Accounting, Finance, and Information Management, Oregon State University, tenure and promotion review to associate professor
- 09/2004 Phaedon Kyriakidis, University of California, Santa Barbara, Dept of Geography, tenure and promotion review to associate professor
- 02/2003 Daniel Sui, Dept of Geography, Texas A&M University, support letter for University Distinguished Achievement Award
- 09/2001 Thomas Cova, Dept of Geography, U of Utah, third year review
- 09/2001 Daniel Montello, Dept of Geography, U C Santa Barbara, promotion to full professor
- 09/2000 Daniel Sui, Texas Dept of Geography, A & M University, promotion to full professor
- 09/1996 Daniel Montello, Dept of Geography, U C Santa Barbara, tenure and promotion to associate professor
- 09/1995 Harvey Miller, Dept of Geography, U of Utah, tenure and promotion to associate professor

MEMBERSHIPS IN PROFESSIONAL ORGANIZATIONS

- Association of American Geographers
- GIS Specialty Group
 - Cartography Specialty Group
 - Coastal Specialty Group
 - Hazards Specialty Group
 - Water Resources Specialty Group
- Association for Computing Machinery
- Special Interest Group on Computer-Human Interaction
- Urban and Regional Information Systems Association
- American Water Resources Association

Spatial Decision Support Consortium

AWARDS

2015 UCGIS Fellow Award for outstanding contribution to Geographic Information Science, University Consortium for Geographic Information Science.

2015 Aageenbrug Distinguished Career Award, American Association of Geographers, Geographic Information Systems and Science Specialty Group.

2014 National Service Award, University Consortium for Geographic Information Science.

William Evans Fellowship Award, visiting professor, University of Otago, New Zealand, March – April 2011.

C. C. Huntington Memorial Award for outstanding graduate student performance awarded by Dept of Geography, Ohio State University, 1980.

Keuffel and Esser Fellowship in Surveying and Cartography awarded by American Congress on Surveying and Mapping, 1979.

GRADUATE STUDENT ADVISING

Graduated Masters - graduation date:

Robert Ruderman, Committee Member - 1987

John Griffith, Committee Member - 1987

Corwin Crawford, Committee Member - 1987

Ken Herrell, Committee Chair - 1987

Tom Nolan, Committee Chair - 1988

Jerome Corr, Committee Member - 1988

Steve Larson, Committee Member - 1988

Lawrence Blain, Civil Engr., Committee Member - 1989

George Horning, Committee Chair - 1990

Frank Matulich, Committee Chair - 1990

Philip Condit, Committee Chair - 1990

William Albert, Committee Chair - 1990

Thomas Edwards, Committee Member - 1991

Marcus Lester, Committee Member - 1991

Trudy Suchan, Committee Member - 1991

Carrie Anderson, Committee Chair - 1991

Ernest Moore, Committee Member - 1992

John Nachman, Committee Member - 1992

Eric Folke, Civil Engr, Committee Member - 1992

Eric Issac, Civil Engr, Committee Member - 1992

Nicole Devine, Committee Member - 1993

Craig Dalby, Committee Member - 1993

Are Bjordahl, Committee Member - 1994

Charlie Hendricksen, Committee Chair - 1994

Stacy Birk, Committee Chair - 1995

Aaron Gill, Committee Chair - 1995

Jeffrey Miller, Committee Chair - 1995

Matthew Barry, Committee Chair - 1996

Susan Grigsby, Committee Chair - 1996

Richard Moore, Committee Chair - 1996

Robert Norheim, Committee Member - 1996
Marcie Compton, Committee Member - 1997
Chris Davis, Committee Member - 1998
Sam Adams, Committee Chair - 1999
Daniel Reyes, Committee Member - 2000
Sharon Hou, Committee Member - 2000
Shaun McMullin, Committee Member - 2000
Walter Svekla, Committee Chair - 2000
Non Khunchumboo, Architecture, Committee Member - 2000
Joshua Newell, Committee Member - 2002
Kevin Ramsey, Committee Chair - 2004
Randy Boshart, Civil and Environmental Engineering, Committee Member - 2005
Matthew Wilson, Committee Chair - 2005
Cale Berkey, Committee Chair - 2006
Michalis Avraam, Committee Chair - 2007
David Moore, Committee Member - 2007
Zhong Wang, Committee Chair - 2008
Jonathan Lesesne, Epidemiology, Committee Member - 2010
Fogle, Robert J, Committee Chair - 2012
Gardner, Benjamin B, Committee Chair - 2012
Gould, Elizabeth R, Committee Chair - 2012
Heffron, Matthew P, Committee Chair - 2012
Jumawan, Krystle U, Committee Chair - 2012
Karr, Jason Franklin, Committee Chair - 2012
Klock, Angela M, Committee Chair - 2012
Krogh, David James, Committee Chair - 2012
Thornquist, Brian, Committee Chair - 2012
Vo, Vu Tich, Committee Chair - 2012
Weber, Katherine A, Committee Chair - 2012
Goldsmith, James, Committee Chair - 2013
Kramer, Kory, Committee Chair - 2013
Lund, Gregory, Committee Chair - 2013
McAuslan, Donald, Committee Chair - 2013
Palmer, Bryan, Committee Chair - 2013
Stcherbinine, Scott, Committee Chair - 2013
Tanahara, Alyssa, Committee Chair - 2013
Eckhardt, Nicolas T, Committee Chair - 2013
Hollatz, Richard, Committee Chair - 2013
Johnstonbaugh, Elizabeth, Committee Chair - 2013
Perkins, Joel, Committee Chair - 2013
Clinton, Christopher, Committee Chair - 2013
Dong, Jeffrey, Committee Chair - 2013
Gardner, Chris, Committee Chair - 2013
Novak, Grant, Committee Chair - 2013
Price, Ian, Committee Chair - 2013
Schmitz, David, Committee Chair - 2013
Teut, Nathan, Committee Chair - 2013
Timbers, Samuel, Committee Chair - 2013
Walker, Jonathan, Committee Chair - 2013
Rebecca Richards Steed, Committee Chair - 2014
Benjamin West, Committee Chair - 2014
Bejamin Hillman, Committee Chair - 2014
Chris Domschke, Committee Chair - 2014
Caleb Anderson, Committee Chair - 2014

Christina Heaton, Committee Chair - 2014
 Emily Zvolanek, Committee Chair - 2014
 Shawn Friang, Committee Chair - 2014
 Chelsey Gilman, Committee Chair - 2014
 Jessica Eickhorst, Committee Chair - 2014
 Malena Foster, Committee Chair - 2014
 Matthew Ringel, Committee Chair - 2014
 Neil Shetty, Committee Chair - 2014
 Nicole Frankenfield, Committee Chair - 2014
 Rebecca Blackmann, Committee Chair - 2014
 Sahar Pesaran Afsharian, Committee Chair - 2014
 Brenden McLane, Committee Chair - 2014
 Sarah Bengtson, Committee Chair - 2014
 Scott Schlueter, Committee Chair - 2014
 Wally Koli, Committee Chair - 2014
 Jake Hearen, Committee Chair - 2015
 Katherine Bryan, Committee Chair - 2015
 Anssel Lopez, Committee Chair - 2015
 Christopher Morse, Committee Chair - 2015
 Erin Richmond, Committee Chair - 2015
 Graywolf Nattinger, Committee Chair - 2015
 Greg Schundler, Committee Chair - 2015
 Jeremy Forst, Committee Chair - 2015
 Mickey Ross, Committee Chair - 2015
 Patrick Forrest, Committee Chair - 2015
 Paris Williams, Committee Chair - 2015
 Mihai Giurgiulescu, Committee Chair - 2015
 Katherine Messick, Committee Chair - 2015
 John Ritzman, Committee Chair - 2015
 Diana Hu, Committee Chair - 2015
 Kimberly Knepesa, Committee Chair - 2015
 Christopher Bonfiglio, Committee Chair - 2016
 Christopher Beddow, Committee Chair - 2016
 Michelle Leppek, Committee Chair - 2016
 Sage Tezak, Committee Chair - 2016
 Hilary Ahearn, Committee Chair - 2016
 David Danker, Committee Chair - 2016
 Jason Garver, Committee Chair - 2016
 Chanae Johnson, Committee Chair - 2016
 Heather Roberts, Committee Chair - 2016
 Marsha Sohn, Committee Chair - 2016
 Michael Strong, Committee Chair - 2016
 Heidi Whipple, Committee Chair - 2016
 Don Mateer, Committee Chair - 2016
 Matthew Stelmach, Committee Chair - 2016

Graduated Ph.D. - graduation date:

Piotr Jankowski, Committee Member - 1989
 Gail Langran, Committee Member - 1989
 Oshinowo Babatunde, Civil Engineering, GFR - 1990
 Yihua Xiong, Civil Engineering, GFR - 1992
 Erh-Chun Yeh, Electrical Engineering GFR - 1994
 Lik Meng Lee, Urban Design and Planning, Committee Member - 1995
 Heidi Burgdeil, Mathematics, GFR - 1995

Dan Karnes, Committee Member - 1995
 Francis Harvey, Committee Member - 1996
 Edward McCormack, Committee Chair - 1997
 Loren Siebert, Urban Design and Planning, GFR - 1997
 Mark Huyler, Committee Member - 1997
 Ric Vrana, Committee Member - 1997
 Ivan Suen, Urban Design and Planning, GSR – 1998
 Christina Drew, Committee Chair - 2002
 Charles Hendricksen, Committee Chair - 2002
 Nicholas Hedley, Committee Chair - 2003
 Karin Johnson, Committee Member – 2003
 James Peet, Committee Chair - 2003
 Jacqueline Starr, Public Health and Community Medicine – Epidemiology, GSR - 2003
 Scott Miles, Committee Chair - 2004
 Kai Elgethun, Epidemiology, Committee Member – 2004
 Enru Wang, Committee Member - 2005
 Ruth Fruland, Education, Committee Member - 2006
 Robert Crampton, Occupational and Environmental Health, Committee Member - 2007
 Jie Wu, Committee Chair – 2007
 Guirong Zhou, Committee Chair - 2008
 Michael Lowry, Committee Member, Civil and Environmental Engineering - 2008
 Kevin Ramsey, Committee Chair - 2009
 Matthew Wilson, Committee Chair - 2009
 Natalia Larios Delgado, Computer Science and Engineering, GSR - 2010
 Michalis Avraam, Geography, Committee Chair - 2011
 Emad Dawas, UDP Interdisciplinary, Committee Member - 2011
 Wilawan Thanatemaneerat, Geography, Committee Chair - 2015
 Mu-Ning Wang, School of Forest Resources, Committee Member - 2015

In progress Masters:

Richard Harmon, to graduate 2017, chair
 Nicholas Baker, to graduate 2017, chair
 Tyler Buntain, to graduate 2017, chair
 Dane Carson, to graduate 2017, chair
 James Dahlstrom, to graduate 2017, chair
 Kayla Golden, to graduate 2017, chair
 Tyler Graham, to graduate 2017, chair
 Michael Hamilton, to graduate 2017, chair
 David Headrick, to graduate 2017, chair
 Holly Jones, to graduate 2017, chair
 Michael Logel, to graduate 2017, chair
 Christian Matthews, to graduate 2017, chair
 Simone Melo, to graduate 2017, chair
 Tommy Nguyen, to graduate 2017, chair
 Jennifer Paton, to graduate 2017, chair
 Daniel Root, to graduate 2017, chair
 Allison Shriner, to graduate 2017, chair
 Leah Westley, to graduate 2017, chair
 Joseph Geigel, to graduate 2018, chair
 John Marshall, to graduate 2018, chair
 Adam Peterson, to graduate 2018, chair
 Nathaniel Story, to graduate 2018, chair
 Kelley Ingram, to graduate 2018, chair
 Douglas Rich, to graduate 2018, chair

Drew Schwitters, to graduate 2018, chair
Anthony Zeronas, to graduate 2018, chair
Thais Esposito, to graduate 2018, chair
Patrick Munyua, to graduate 2018, chair
Sean Naidu, to graduate 2018, chair
Alecio O'Day, to graduate 2018, chair
Robert Sayers, to graduate 2018, chair
Jesse Schaefer, to graduate 2018, chair
Nila Uthayakumar, to graduate 2018, chair
Brian Van Abbema, to graduate 2018, chair
Celines Villegas Reyes, to graduate 2018, chair
Martin Justin Weiser, to graduate 2018, chair
Kelly OBennick, to graduate 2018, chair

In progress Ph.D.:

Adam Kowalski, Geography, Committee Chair
Eugene Martin, Geography, Committee Chair
Mary Roderick, UDP Interdisciplinary Program, Committee Member
Edward Rockford, Civil and Environmental Engineering, Committee Member
