Housing Preference Form

Please use the following form to indicate your housing preferences. In recent years all our students have chosen to live with families. If you have a very strong preference for a residence hall (dorm), please contact the director right away, as it takes time to locate a viable residence hall situation. The program's administrators make every effort to comply with each student's preference; however, **no guarantees are made**, since it is not always possible to give every member of the group the exact sort of housing arrangement that he or she prefers.

Please download, fill in, and save the form and **send it electronically** as a word document (doc or docx) to inma@uw.edu, AFTER the second of the two obligatory orientation meetings . When saving the file name It "**yourlastname_housing.docx**" etc.
