

CURRICULUM VITAE as of Feb 2014

Fred C. Quarnstrom, D.D.S.,
F.A.D.S.A., F.A.G.D., F.I.C.D., F.A.C.D., C.D.C.

Residence: 5767 South Oaklawn Place, Seattle, WA 98118
phone 206-721-0496, **cell** 206-313-0496, **fax** 206-722-2850
Office: 5767 S. Oaklawn Pl, Seattle, WA 98118
e-mail address quarn@uw.edu or fredq@comcast.net
home page <http://faculty.u.washington.edu/~quarn> and <http://openwide.org>

Place and date of birth: Yakima, WA - October 12, 1940

Pre Doctoral Education:

Sunnyside Grade School, Sunnyside, WA
Sunnyside High School, Sunnyside, WA
University of Washington, College of Arts and Sciences, 1958-1959
University of Washington, Dental School, 1960-1964

Post Doctoral Education:

Residency in General Anesthesia, Washington Hospital Center, 110 Irving St., Washington D.C.
Summer Institute on Clinical Dental Research Methods, Department of Dental Public Health Sciences,
School of Dentistry, University of Washington, July-August 1992 240 hours
Periodontal study club 1983 - 1985 210 hours
TMJ Dysfunction study club 1986 - 40 hours
Mini Endodontics Residency 1994 - 64 hours
Dental Material Study Club 1990 to present 20 hours each year
Continuing Dental Education courses attended - 3600 hours 1980 to 2013

Licensed to practice: State of Washington

Member of:

American Dental Association, Seattle-King County Dental Society, Washington State Dental Association,
Delta Sigma Delta, American Dental Society of Anesthesiology, Academy of General Dentistry,
International College of Dentistry, American Society of Dental Anesthesiologists, American Association of
Dental Consultants, American College of Dentistry

Fellowships - Diplomate - Certification

Fellow in General Anesthesia, American Dental Society of Anesthesiology, 1980
Fellow, Academy of General Dentistry, 1984
Fellow, International College of Dentistry, 1989
Diplomate, American Dental Board of Anesthesiology, 1996 - 2010 retired
Certified Dental Consultant, American Association of Dental Consultants 1999
Diplomate National Dental Board of Anesthesiology 2002 - retired 2012
Fellow, American College of Dentistry, 2005

Honors:

Eagle Scout 1953, Silver Beaver, Boy Scouts 2011
Dean's List, University of Washington, 1 quarter, 1958
Dean's List, University of Washington, 3 quarters, 1959
One of top 20 sophomores, University of Washington, 1959-1960
Member, Washington State Board of Health, 1978-1979
Dentist Recognition Award, American Dental Association, 1987
Continuing Education Award for Anesthesia in Dentistry, American Dental Society of Anesthesiology

Flying - ratings single engine land, commercial, instrument, and Instrument Flight Instructor and glider

1963-1980 reactivated licenses 2004

Boating - sailing and power

Woodworking - particularly bowl making Amateur Astronomy - including telescope making - award for the best first scope Table Mountain Star Party 1995

Docent Museum of Flight Seattle WA 2010 - present

Table clinics and Poster Presentations:

1. Nitrous oxide equipment, Oregon State Dental Association Meeting, 1975
2. Where are the patients? Academy of General Dentistry National Meeting, Toronto Canada, 1978
3. Electronic Dental Anesthesia, Washington State Dental Association Meeting, May 16, 1987
4. Electronic Dental Anesthesia, American Dental Association National Meeting, Honolulu Hawaii, Nov. 4, 1989
5. Electronic Dental Anesthesia, Chicago Dental Society Midwinter Meeting, Feb. 19, 1991
6. Halcion Oral Sedation, Chicago Dental Society Midwinter Meeting, Feb. 19, 1991
7. Halcion Oral Sedation, 6th International Congress on Modern Dental Pain control, Washington D.C., May 12, 1991
8. Halcion Oral Sedation, American Dental Association meeting, Seattle, WA, Oct. 5, 1991
9. Electronic Dental Anesthesia, American Dental Association meeting, Seattle, WA, Oct. 5, 1991
10. Electronic Dental Anesthesia, Chicago Dental Society Midwinter Meeting, Feb. 19, 1993
11. Halcion Oral Sedation, Chicago Dental Society Midwinter Meeting, Feb. 19, 1993
12. Electronic Dental Anesthesia - Waveform comparison, Chicago Dental Society Midwinter Meeting, Feb. 20, 1993
13. Electronic Anesthesia vs. Topical Anesthesia for Pain Control During Local Anesthesia Injections: Should We Shock 'em Before We Block 'em? University of Washington Research Celebration Day May 12, 1993
14. Halcion Oral Sedation, Chicago Dental Society Midwinter Meeting, Feb. 19, 1994
15. Elect. Dent. Anes. - Waveform comparison, Chicago Dental Society Midwinter Meeting, Feb. 19, 1994
16. Elect. Dent. Anes. to replace topical anes, Chicago Dental Society Midwinter Meeting, Feb. 20, 1994
17. Nitrous Oxide Sedation Scavenging, Chicago Dental Society Midwinter Meeting, Feb. 20, 1994
18. Elect. Dent. Anes. to replace topical anes, Amer. Dent. Association national meeting Los Vegas, Oct 7, 1995
19. Nitrous Oxide, is it safe for our staff. Amer. Dent Assoc. National Meeting San Francisco, Oct 23, 1998
20. Nitrous Oxide, is it safe for our staff. Amer. Dent Assoc. National Meeting San Francisco, Oct 24, 1998
21. SaO₂ vs. altitude, Int. Federation Dental Anesthesiology Societies, Dundee Scotland, June 6, 2002

Papers read at meetings:

1. A Premix of 50% Nitrous Oxide - 50% Oxygen for Sedation During Dental Procedures, *Symposium of the 3rd International Congress on Dental Pain*, Tokyo Japan
2. Use of Electrical Anesthesia and Nitrous Oxide To Replace Local Anesthesia on 800 Patients, A Clinical Study, *Symposium of the 5th International Congress on Dental Pain*, Canberra Australia, May 1988,
3. Three Years Use of Electronic Anesthesia, 4th Annual Symposium on Electronic Dental Anesthesia, University of Southern California Dental School, Los Angeles CA, Jan. 26, 1990
4. Oral Triazolam Used in Dentistry: A Preliminary Clinical Report, 37th Annual meeting of the American Dental Society of Anesthesiology, Orlando, FL, May 5, 1990
5. Diffusion Hypoxia: A Reappraisal using Pulse Oximetry on Patients Sedated with Nitrous Oxide, 37th Annual meeting of the American Dental Society of Anesthesiology, Orlando, FL, May 5, 1990
6. Electrical Anesthesia Equipment, 37th Annual meeting of the American Dental Society of Anesthesiology, Orlando, FL, May 5, 1990
7. Pharmacology of Halcion, Washington State Society of Pediatric Dentistry, Seattle, WA, October 5, 1990
8. Electronic Dental Anesthesia, 6th International Congress on Dental Pain, Washington, D.C., May 1991
9. Electronic Anesthesia vs. Topical Anesthesia for Pain Control During Local Anesthesia Injections, 41st Annual meeting of the American Dental Society of Anesthesiology, Boston, MA, April 15, 1994
10. Nitrous oxide sedation 8th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Christchurch NZ March 26, 1997
11. The Dental professional and Internet 8th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Christchurch NZ March 28, 1997
12. Electronic Dental Anesthesia and Intraosseous local anesthesia, 8th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Christchurch NZ March 28, 1997
13. Oral conscious sedation 10th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Yokohama Japan, October 6, 2006
14. Oral Conscious Sedation: two extremes on one patient, a case study, 11th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Gold Coast Australia, October 16, 2009
15. Bispectral index system (BIS) monitoring for enteral conscious (moderate) sedation during general dental procedures, 11th International Congress on Dental Pain, International Federation of Dental Anesthesiology Societies, Gold Coast Australia, October 16, 2009
16. Age Relevant Dentistry for the Elderly, American Association of Dental Consultants, Phoenix AZ May 20, 2011

Published papers:

1. Ventilatory Disturbances Resulting From Muscle Pain Following the Administration of Succinylcholine Chloride; *Medical Annals of the District of Columbia*, September 1968
2. Blind Nasotracheal Intubation Under Controlled Respiration; A Modified Technique. *The Journal of Oral Surgery*, December 1968
3. A Premix of 50% Nitrous Oxide - 50% Oxygen for Sedation During Dental Procedures, *Anesthesia Progress*, November 1983
4. Use of Electrical Anesthesia (EA) and Nitrous Oxide (N₂O) to Replace Local Anesthesia on 650 Patients: A summary of a Clinical Study with Emphasis on Dental Hygiene Procedures, *Washington State Dental Hygiene Association Newsletter*, 57:10, January 1988

Published papers:(cont)

5. Electrical Anesthesia, *California Dental Association Journal*, 35-40, December 1988
6. Clinical Experience with TENS and TENS Combined with Nitrous Oxide-Oxygen, Report of 371 patients, *Anesthesia Progress*, 36:, April 1989
7. More on Electronic Anesthesia, *Nation-Wide Dental Newsletter*, p.7-11, 2:13, April 1989
8. The combined effect of nitrous oxide and oxygen and electrical stimulation during restorative dental treatment, *Journal of American Dental Association*, June 1989, vol. 118, no. 6, p-733
9. Electrical Anesthesia in Selected Dental Procedures, *Pain Management*, November-December 1989, vol. 2, no. 6, p 321-323
