

Reading Reflection 2

Let's take this time to reflect on some "meta" ideas in the class now that we have completed the second exam. Choose one of the readings below in 200 to 300 words 1) *summarize* the authors main point(s) and 2) *connect* the main points with experiences (or lack of experiences) in your own life.

1. Watch or read Francis Su's MAA's presidential retiring address:
