

Origami Project 1 Requirements

This is a project where you will need to:

1. organize a group of four people,
2. find and agree upon an origami pattern, and
3. guide the class in folding your chosen origami pattern.

Your group can choose any origami pattern not in the textbook, but make sure to reference your source. Each group is given a half hour so make sure that your pattern is not too complicated. Of course, your peers will be grading you on how interesting your origami/presentation is, so make sure your pattern is not too simple either.

Time Table:

Week	Date	Group to Present:
3	Apr. 11 Mon.	Group 1
		Group 2
	Apr. 13 Wed.	Group 3
		Group 4
		Group 5
4	Apr. 18 Mon.	Group 6
