

# TMATH 124 Textbook Information:

If you plan to take TMATH 124, 125, <i>and</i> 126, you should buy:	Calculus: Early Transcendentals 6 <sup>th</sup> Ed Print ISBN-13: 978-0-495-01166-8 eText ISBN-13: 978-0-495-54424-1
If you plan to stop before TMATH 126 you should buy:	Single Variable Calculus: Early Transcendentals 6 <sup>th</sup> Ed Print ISBN-13: 978-0-495-01169-9 eText ISBN-13: 978-0-495-54426-5

The above editions came out in 2008 and the 7<sup>th</sup> edition was just released so this textbook should be easy to locate at a reasonable price.

WebAssign *must also* be purchased. The book and WebAssign need not be purchased as a set. If you can get a better deal buying the text book separate from the WebAssign access code, go ahead and do so.

The following is a summary of my brief search results for the *Single Variable Calculus* text carried out on 11/22/2010. If you happen upon a source of reasonably priced textbooks that is not listed below, please email to information to me at rvanderp@u.washington.edu and I will update the list.
