

Syllabus Activity

Spring 2023

Read through the Syllabus posted on the Canvas Page to find the answers to the following.

1. TRUE or FALSE: If the statement is true in this class, write T, otherwise, write F.
 - (a) Collaboration on Written Homework is encouraged and sources (including peers!) should be cited in your work.
 - (b) No late Written Homework is accepted after the due date.
 - (c) WritenHW must be turned in through the Canvas assignment.
 - (d) There will be a midterm and a final exam in this class.
 - (e) Lab's are to be done individually.

2. Where and when are the instructor's office/social/drop in hours?

3. Identify something on the syllabus that you think should be highlighted/said outloud in class.
