

Math (Enthusiast) Series

Nov 29 Joy 113 @ 3:10 & 3:40

Everyone interested in mathematics is welcome to attend TMath 350's presentations (almost) every Tuesday of Autumn quarter (and some Thursdays!)

11/29/16 3:10-3:30 "A Different Kind of Modeling"

3:40-4:00 "A Study on Math Anxiety"

A Different Kind of Modeling

What's the best way to model? No, not on the runway but model data. How is this done? I will introduce distribution fitting, by using examples and presenting introductory statistic theories both graphically and parametrically.

A Study on Math Anxiety

We will go over an article that discusses a study on math anxiety. Focusing on Math Anxiety Rating Scale testing, we will look at how the study analyzes the results using p-values and significance tests. We will conclude with the study's limitations and suggest ways to deal with math anxiety.
