

# Math (Enthusiast) Series

Joy 114 @ 3:15 unless otherwise indicated

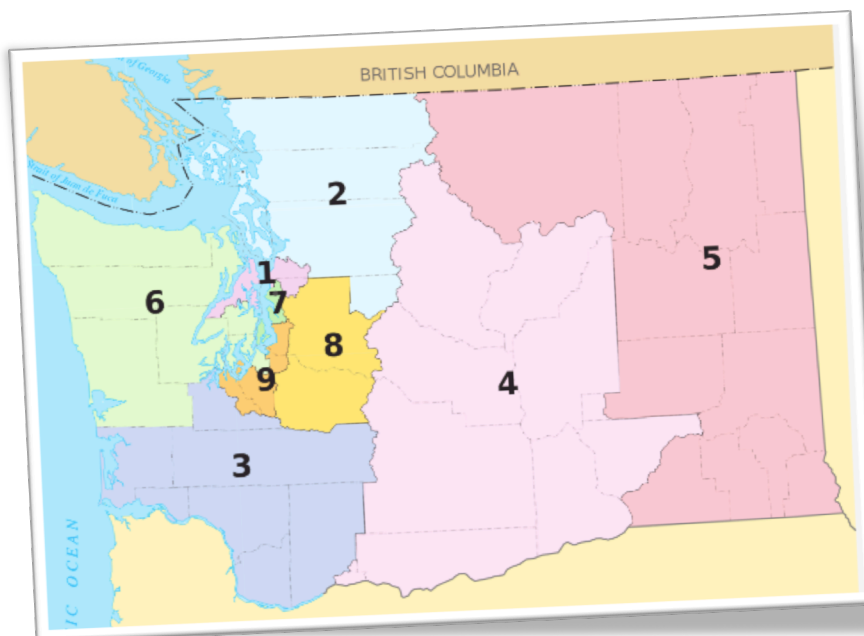

Everyone interested in mathematics is welcome to attend TMath 450's presentations most Tuesdays of Winter quarter (and some Thursdays!)

3/8/18 3:15-3:35pm | Duc Nguyen (Capstone)

## Teaching Exponential Functions

We will analyze and integrate APOS theory, problem-posing tactics, and the idea of lesson-unplanning to suggest a different method of teaching exponential functions. We will also examine data collected from an instructional activity that is implemented based on these concepts to see whether the suggested method yields favorable results.
