

PHIL 120A: Introduction to Logic

Autumn, 2007

Schedule of Assignments

Each problem is worth 2 points, except for starred (*) problems (3 points) and double-starred (**) problems (4 points). When submitting an assignment, be sure to include the assignment number. Write it on any paper you submit; for electronic submissions, type it in the “Add Text Message” box that appears on the “Confirm Submission” screen of the *Submit* program. Use your TA’s email address; do **not** use Professor Cohen’s address. Electronic submissions must be datemarked by **9:30 am** each Tuesday and Thursday. Assignments completed on paper are due at the start of section meetings.
