

## CURRICULUM VITAE AND PUBLICATIONS LIST OF B.SPIVAK

Department of Physics, University of Washington, Seattle, WA 98195  
Tel: (206)6857156; E mail: spivak@u.washington.edu

Fellow of American Physical Society.

Member of the international advisory board for Pacific Institute for Theoretical Physics, Canada.

### **AWARDS:**

1993 Hewlett-Packard (currently Agilent technologies) Prize of European Physical Society for pioneering theoretical work on coherent phenomena in disordered conductors.

1995 Alexander von Humboldt Senior Scientists Award (Germany).

1996 Landau-Weizmann Prize for achievements in theory of disordered conductors (Israel).

2001 Kramers chair of theoretical physics, Spinoza Institute, Utrecht, Netherlands.

2002 Lady Davis Award, Hebrew University in Jerusalem, Israel.

### **EDUCATION:**

Ph.D. thesis topic: Nonequilibrium distributions in superconductors, Physics and Technique Institute, Leningrad, USSR.

D.Sc: Interference phenomena in conductors; Physics and Technique Institute, Leningrad, USSR.

### **EMPLOYMENT:**

Professor of Physics, University of Washington, since 1991.

Visiting Professor, University of California, Los Angeles, 1990-1991.
