

CURRICULUM VITAE OF B.SPIVAK

Department of Physics, University of Washington, Seattle, WA 98195

Tel: (206)6857156; E mail: Spivak@dirac.phys.washington.edu

Fellow of American Physical Society.

AWARDS:

1993 Hewlett-Packard (currently Agilent technologies) Prize of European Physical Society for pioneering theoretical work on coherent phenomena in disordered conductors.

1995 Alexander von Humbolt Senior Scientists Award (Germany).

1996 Landau-Weizmann Prize for achievements in theory of disordered conductors (Israel).

2001 Kramers chair of theoretical physics, ITP, (Utrecht, Holland).

2002 L. Davis Award, Hebrew University, Jerusalem, Israel.

EMPLOYMENT:

Professor of Physics, University of Washington, since 1991.

Visiting Professor, University of California, Los Angeles, 1990-1991.

Senior researcher, Science and Technology corporation OF Academy of Sciences USSR, 1983-1989.
