

You are invited!

A city-wide celebration of elementary students and mathematics.

**What:** MathFest Fall 2008

**Where:** Rainier Community Center, 4600 38th Ave. S., Seattle

**When:** November 13, 2008, 5:00 – 8:00 PM

**RSVP:** Let us know you are coming, email [info@eimath.org](mailto:info@eimath.org)

## Students

**Come to MathFest to play carnival-like games, win prizes and have fun!**

- Talk to your friends. Put together a small team or come with your family.
- Build the strongest skyscraper using tape and cards.
- Compete against your neighboring school in the Algebra Relay Race.
- Challenge your parents to WASL Jeopardy.

## Families

**Support your children in mathematics!**

- Watch your child shine in creative problem solving.
- Applaud them as they win prizes for themselves and their school.
- Learn tips and tricks to involve your children in math in free time.
- Keep younger siblings occupied during MathFest in the tot friendly area.

## Teachers and Principals

**Help your school become a winner at Math!**

- Support your students in tackling creative math problems in all five strands.
- Inspire your students by competing in unique challenges.
- Take home the **MathFest Trophy**; awarded to the school with the most Math Spirit, measured by the number of students and staff at MathFest.
