Galapagos  
sea lion  
Floreana

Isla Isabela, Galapagos

Male  
frigate  
bird

Trying to  
find the  
exact  
place  
where  
the photo  
was taken  
25 years  
before,  
Professor  
Sulloway  
backs  
closer to  
an  
epiphany.

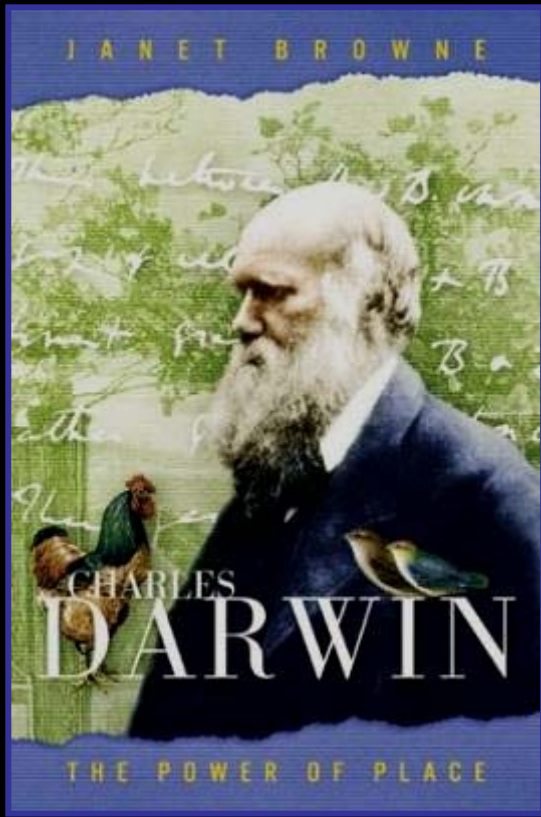

Land iguana  
Galapagos

# Land iguana shedding, South Plaza, Galapagos

Charles Darwin swims ashore at Floreana Island in the Galapagos, conveniently landing at Post Office Bay.

[AKA Dan Dennett, author of *Darwin's Dangerous Idea*]
