Answer one of the following questions in a 3-5 page essay, typed, double spaced, and titled. I will evaluate the essay based on the criteria outlined in the syllabus.

1. How does the depiction of nature in *The Lion Hunt* and *Sir Arne’s Treasure* differ? Explain your answer with the help of at least three examples, drawing on the readings assigned for the first week as well.

2. The depiction of nature is important to the film *Sir Arne’s Treasure*. Agree or disagree. Use at least two examples from the sequence of *Sir Arne’s Treasure* (1919) on the website labeled “Arne/Writing 1,” as well as from Tytti Soila’s *Nordic National Cinemas*, to support and develop your argument.
