Go to the website for one of these graphics—take a look and do one of the following:

1. For the Ebb and Flow of movies graphic, what were the first two movies (Jan 1986) that had total domestic gross earnings between $100 and $250 million?

2. Based on the Chernoff faces graphic, how does Lou Piniella compare with John McLaren—what are the key distinguishing features (in terms of baseball) in their offensive tendencies?
