

Brain Sudoku

	D	K	S	N	O			
S	I						O	K
O		N	R			W		D
	S			R				
	R		K		D		N	
				W			D	
N		S			M	D		R
D	O						W	N
			N	D	S	M	K	

This puzzle can be solved with logic and without guessing. Each box should have a letter from the words **MIND WORKS**. Each row must contain only one of each letter; each column should contain only one of each letter; each of the nine 3x3 boxes should contain only one of each letter. As you solve this puzzle, you can see how your “MIND WORKS.”
