

Oct. 17: What is Life? (continued)

LO: Describe key traits of living things.

SLE: Read and write proficiently.

“What is Love?” by Haddaway (1993)

What is love?
Baby, don't hurt me!
Don't hurt me
No more!
What is love?
Baby, don't hurt me!
Don't hurt me
No more!

“What is Life?” science/music project

Let's make this song more educational!

What is ~~love?~~ **life?**
~~Baby, don't hurt me!~~
~~Don't hurt me~~
~~No more!~~
What is ~~love?~~ **life?**
~~Baby, don't hurt me!~~
~~Don't hurt me~~
~~No more!~~

Assignment: “What is Life?” lyrics OR slides

- Work in groups of 2.
- Cover 3 or more of the 6 traits of life via lyrics OR slides.
 - Lyrics option
 - Re-write the chorus of “What is Love?” with new song lyrics about traits of living organisms.
 - Slides option
 - Find pictures online that illustrate traits of living organisms.
 - List the trait(s) and explain (in 1 sentence) how the picture illustrates the trait(s).
 - Cite the source (website address) of each picture
 - Example: Image taken from <https://www.ck12.org/biology/cell-division/>
- Email your work to gcrowther@st-johnschool.org or turn in a hard copy.

What is ~~love?~~ **life?**
~~Baby, don't hurt me!~~
~~Don't hurt me~~
~~No more!~~
What is ~~love?~~ **life?**
~~Baby, don't hurt me!~~
~~Don't hurt me~~
~~No more!~~

Lyrics option: a BAD example

What is life?

Even though an organism's outside environment

What is life?

Conditions inside an organism's body...

Slides option: a BAD example

Living things are made of cells.

Homework due Oct. 18

- Read pages 8-9 of your textbook.
- In your notebook, take Cornell Notes on these pages.
 - Start notes with a new header: “The Necessities of Life”

Cornell Two-Column Notes	
Keywords:	Notes:
	Types of Matter
