Presentation of Course Projects: III

- will post schedule for talks on Web site
- OK to swap positions – just e-mail me about new order
- please attend all presentations if at all possible – past experience says this will be the best part of the course!
- plan on an 8 minute talk with 2 minutes for questions/comments (please time your talks so that they don't go over 8 minutes)

Presentation of Course Projects: IV

- if you plan to use overheads for your presentation, please email them to me in the form of a PDF file by noon, Friday, June 1 or by 8AM, Thursday, June 7 (preferably the night before if possible) so that I can load them onto my computer (PowerPoint is problematic)
- written report due 2PM on 8 June – please check the ‘Term Project’ page of Web site for instructions about formatting, how to get a hardcopy of your report to me, etc.
