Toll Free: 800-894-9206  
FAX: 888-899-0346  
www.cybertoolsforlibraries.com

**CyberTools provides a new genre of integrated, seamless access to digital and print resources in a single, low cost search portal. Online catalog with A to Z lists, electronic resources management, link resolver, book covers, federated searching, and more. No need to provide separate links to collections of online resources on your website. Resources provided by various publishers, vendors, and aggregators can be placed into one all-encompassing list of titles and subjects with easy-build A to Z lists. A to Z lists can target all your resources: online books, journals, reference, A/V collections, or special topic/class lists you create. Migration and start-up is easy with interactive web-based training, quick-tours, and personalized support.**

**CyberTools supports you with elegant productivity solutions that minimize costs and market your resources. Contact us for a free demo.**
