

Required Items:

- Textbook: Precalculus: A Unit Circle Approach 2nd edition, by Ratti/McWaters, 2014
- MyMathLab Access: This is the online homework system.

Various ways to access the textbook and MyMathLab are discussed below. Make sure you have access to both the required items. Sometime you can get a better deal by 'bundling' the two together, but you can also buy them separately.

ISBN Numbers:

Standalone MyMathLab access, with *electronic access to the textbook*.

ISBN: 0-321-75599-5

Hardback bundled with MyMathLab access card

ISBN-10: 0321900472 SBN-13: 9780321900470

Loose Leaf edition bundled with MyMathLab access card

ISBN-13 9780321869401

This textbook is relatively new so there may not be many used copies available so you will want to start your search early to get a good deal. The following is a summary of my brief search results for the Precalculus text carried out on 8/29/2016. If you happen upon a source of reasonably priced textbooks that is not listed below, please let your instructor know so the list can be updated.

Sources for Electronic copies:

- \$110 Use the instructor's course ID to create an account from Pearson publishing
<https://pearsonmylabandmastering.com/students/register/>
